## Three Salem High Seniors Win State Scholarship Test Honors

James Patrick Harrington

Barbara L. Cobourn

Richard R. Buta

Three Salem High School seniors, two boys and a girl, received honorable mention in Ohio in the state general scholarship tests given last month, the Ohio Department of Education announced today.

They are: James Patrick Harrington, 17, son of Mrs. Margaret Harrington of 1297 Eastview Drive;

Richard R. Buta, 17, son of Mr. and Mrs. John Buta of the Depot Road.

Barbara L. Cobourn, 17, daughter of Mr. and Mrs. Carroll Cobourn of Pittsburgh, formerly of Salem.

Highest in the state-wide scholastic ratings was David Stewart Wiley of Troy, who posted a score of 254. Highest rating received by a girl was 239 by Judie Jacobs of South Euclid.

Pat Harrington's grade in the state ratings was 214. Dick Buta had 210 and Miss Cobourn, 206.

All three of the Salem High School students are in the top percent of their class and are majoring in mathematics and science.

Harrington, whose hobbies are science and astronomy, is a member of the Slide Rule, French and Latin clubs at Salem High.

Buta, who is also studying draw-

ing and electronics at the Salem Trades School, is president of the High School Student Council, the High School Association and the Formaldeides club, the Spanish club and also is a member of several other school groups.

Miss Cobourn, who resides with her grandmother, Mrs. S. G. Spikerville of 211 W. 14th St., is editor-in-chief of the High School Quaker weekly, is secretary of the Spanish club, is active in school dramatics and belongs to a host of school clubs.

# Eisenhower Calls For UN Pressure On Israel

## UN Delays Debate On Mideast, Awaits Israel's Next Move

UNITED NATIONS, N. Y. (AP)—The General Assembly held up its showdown Middle East debate until Friday afternoon to await results of renewed U. S. efforts to secure Israel's withdrawal from Egypt and the Gaza Strip.

The U. S. request for a 24-hour delay in the Assembly meeting was granted on the heels of authoritative reports that President Eisenhower had sent a new urgent appeal to Premier David Ben-Gurion to order Israeli troops back behind the 1949 armistice lines by nightfall.

It was believed the request was carried by Israeli Ambassador Abba Eban, who arrived in Jerusalem early today to report to Ben-Gurion and the Israeli Cabinet. Eban refused to say whether he brought a note from Eisenhower or Secretary of State Dulles.

A Foreign Ministry spokesman in Jerusalem confirmed that Ben-Gurion had received another personal message from Eisenhower, again calling for Israel's withdrawal from Egyptian territory.

The spokesman said Ben-Gurion replied that the Cabinet meeting today would decide Israel's policy. The Jerusalem government said the Premier would give the Israeli answer to the President in a speech tonight (1 p. m., EST).

The President declared in a broadcast Wednesday night that the U. N. "has no choice but to exert pressure upon Israel" to pull back her forces. This was generally interpreted as meaning the United States is ready to support U. N. sanctions.

Elsewhere in the Western camp, opposition to any such action mounted. Denmark announced she would not vote for sanctions and a similar stand was expected from the other four Scandinavian countries.

France was expected to fight such penalties. Canada and Australia were also opposed.

Although U. S. support is necessary to make any sanctions resolution effective, two thirds of the 80-nation Assembly—or 54 nations—must vote for the resolution to secure its adoption.

## U. S. Has Atomic Weapons To Use Against Planes

Rockets Available To Air Defense Forces Around U. S.

WASHINGTON (AP)—The United States is prepared to use atomic explosions high in the air to blast down any attacking enemy bombers.

The Defense Department disclosed Wednesday night not only that atomic rockets have been developed for that purpose, but that they have been made available to air defense forces in this country.

The present rockets are designed for firing from jet fighter-interceptors. Nuclear weapons are to be provided later for ground firing from anti-aircraft.

The department sought to minimize the possible danger from the rockets, both in storage near cities and in use high in the air.

Secretary of Defense Wilson said the weapons "provide by far the most effective form of defense against air attack." He said they can "destroy aircraft within a considerable distance from the point of burst," meaning no direct hit or near miss is necessary.

The Pentagon declined, on grounds of military security, to say either just where the weapons are stored or what they are like. In its unprecedented disclosure of a military secret, the government sought to forestall anxiety by saying that:

1. "Elaborate precautions have been taken in the design and handling" of the weapons to minimize the possibility of accident.

2. Tests made by the Atomic Energy Commission confirm that "the possibility of any nuclear explosion occurring either by impact (apparently something like a missile falling off a truck or accidentally dropping from a plane) or fire is virtually nonexistent."

3. Stored weapons don't emit dangerous radiation to persons living nearby or passing locations where weapons are located.

4. If the weapons must someday be used against enemy bombers, they would be exploded at such high altitude that people or property on the ground would not be in danger from blast, heat or radiation.

The Pentagon recalled that a high-altitude test of a nuclear explosion was made in 1955 at the Nevada Proving Grounds and that no damage or injury resulted.

## Man Burned When Kerosene Explodes

David Roller, 22, of RD 3, Canfield, sustained first, second and third degree burns over 50 per cent of his body following a kerosene explosion at his home Wednesday morning.

Roller's clothing ignited when he poured kerosene in the furnace to start a fire.

He is in fair condition at the Central Clinic suffering from burns of the chest, legs, chin, neck and back.

## Some Form Of Sanctions Now Appear Certain

Ike Hopes Israel Will Comply With Orders To Get Out Of Egypt

WASHINGTON (AP)—United Nations action to impose some form of sanctions on Israel appeared almost certain today after President Eisenhower declared the U. N. must "exert pressure" to get Israeli troops out of the Gaza Strip and the Gulf of Aqaba.

Israel's only hope of averting a sanctions vote apparently lies in agreeing to withdraw its forces without the guarantees it has been demanding against a subsequent attack by Egypt.

Arab countries, working through the U. N.'s Asian-African group, have urged sanctions. The matter now is expected to come up in the U. N. Friday.

Eisenhower set forth the United States policy in a radio-television broadcast to the nation Wednesday night.

He called this a "fateful moment" for the U. N. and its influence in world affairs, declaring that "the future of the United Nations and peace in the Middle East may be at stake."

After recounting a long series of efforts to get Israel to agree to withdraw its forces, Eisenhower made this assertion:

"The United Nations must not fail. I believe that—in the interests of peace—the United Nations has no choice but to exert pressure upon Israel to comply with the withdrawal resolutions."

But he added: "Of course, we still hope that the government of Israel will see that its best immediate and long-term interests lie in compliance with the United Nations and in placing its trust in the resolutions of the United Nations and in the declaration of the United States with reference to the future."

Congressional reaction to Eisenhower's speech varied. Senate Democratic Leader Lyndon B. Johnson of Texas expressed "regret that the administration still feels that there is no choice but to bring pressure on one side in a two-sided dispute."

... and added: "I agree that Israel should withdraw but I also feel that the withdrawal should be accompanied by adequate U. N. action that will not leave Israel defenseless."

Sen. Sparkman (D-Ala.) commented that "as far as it went, it was a good speech." But he said it did not point out the future course of this government.

What Eisenhower said about exerting pressure carried the United States position beyond any point previously made by him or Secretary of State Dulles. Both have said in general terms that the United States must support the United Nations, but neither indicated what action the United Nations should take.

Officials here have recognized all along that this was the critical question.

The President himself did not specify sanctions but other officials said that was about the only

## 7 J. P.'s To Be Elected Nov. 5

Filing Deadline For Candidates Is Aug. 7

Seven justices of the peace will be named at the Nov. 5 election in six of the eight districts in Columbiana County, the election board said today.

The board's announcement was based on information furnished by the Columbiana County Justice of the Peace Commission, which was created in 1956 under a new state law placing justices of the peace on a salary basis and requiring their election by districts rather than townships.

Frank R. O'Hanlon, election board clerk, pointed out the filing deadline for justice candidates is Aug. 7 at 4 p. m., the same as for other office-seekers running on the non-partisan ballot. Since no salary has been established for justices in Columbiana County, the election board will collect the \$1 minimum filing fee provided by law, O'Hanlon said.

Here are the districts, the townships of which they are comprised, their participation in the November election and the minimum number of signatures needed on a candidates' petition for a ballot place:

First District: Knox, Butler, West and Hanover Townships, will elect two justices in November; population 8,462; at least 38 signatures required for a ballot place.

Second District: Perry Township, which includes Salem City, will elect no justices this year; population 15,022; 75 signatures required for ballot place.

Third District: Salem and Fairfield Townships, will elect one justice in November; population 9,891; 32 signatures required for ballot place.

Fourth District: Center and Elk-justice of the peace; population 7,403; 32 signatures required for ballot place.

Fifth District: Middleton and Unity Townships; will elect one justice in November, population 10,671; 45 signatures required on candidates' petition.

Sixth District: Franklin, Wayne and Washington Townships; will not elect a justice in 1957; population 3,951; 25 signatures required.

Seventh District: Madison and St. Clair Townships; will elect one justice in November; population 5,446; 25 signatures required.

Eighth District: Yellow Creek Township, including Wellsville and Wellsville township; will elect one justice in November; population 9,190; 34 signatures required.

## Up Sewage Rate At Leetonia

Revenue To Finance Sewage Plant Repairs

LEETONIA — Sewage rates here were raised from \$2 to \$6 a quarter when the Village Council last night adopted an ordinance designed to bring in needed revenue for sewage plant improvements.

The measure passed as an emergency measure under suspension of rules.

Council's action followed a warning by the Ohio Department of Health on Feb. 6 when village officials were told that action must be taken in the near future toward solving a threatening sewage problem.

Digesters at the disposal plant, west of the village are inadequate for handling a large amount of sewage; and that purchase of new equipment is necessary to avoid an overflow.

State health department officials will not renew the village's sewage permit until corrective action is taken.

Necessary to handle the sewage are digesters for taking care of sludge, and an elevated settling tank.

The board of public affairs requested the raise in rates.

Councilmen say the state health department based its recommendation for a rate increase on the fact that Leetonia citizens pay only 1-5 or 1-6 per cent of sewage rates paid by persons in the surrounding areas.

The original franchise ordinance concerning gas rates for the village was given first reading during the council meeting last night.

Bruce Cox, district manager of the Ohio Fuel Gas Co., presented Council with the proposal which specifies a 15-year franchise.

The ordinance will run for a four-year period, although at the end of two years negotiations may be re-opened by either Ohio Fuel or council.

The rates include: a minimum

## 22 Million Designated For County Highways

LISBON — A total of 22 million dollars worth of road work has been designated for Columbiana County in the next four or five years, Levi "Jack" Kimball, assistant division engineer of the State Highway Department, advised members of the Columbiana County Real Estate Board when they met at Wick Hotel Wednesday evening at a dinner meeting.

Jobs listed for the county include Route 7 south of Wellsville city limits to Jefferson County line (1.9-10 miles); Route 45 at Long's crossing to eliminate the curves; a bridge on Route 344 between Columbiana and Leetonia; Route 30 through East Liverpool and through California Hollow; the Route 62 by-pass around Salem; Route 164 south of Lisbon for about 4 miles; Route 30 from Canton to East Liverpool which will affect Columbiana County from Minerva to East Liverpool. The last project is in the planning stage now.

Kimball explained the three procedures that become necessary when the state purchases a piece of land: first appraisal, second, acquisition, third, legal.

He explained how prices rise when information leaks out that certain land will be purchased and how the state tries to get the land without having to go through court to get it which delays proceedings.

He explained that approximately 90 per cent of land was acquired without going through court. A question and answer period followed at which time members asked questions from the floor.

The question of by-passing cities with state highways was raised and Kimball said he feels that the merchants are not effected by this.

He cited the case of one restaurant that is on a dead end county road off a secondary state road, which still has as much business as the restaurant can handle.

He also referred to Heck's restaurant in Columbiana when Route 14 by-passed the restaurant without ill effects. He said that people will still do the businesses if they need their products.

Kimball explained that in different parts of the state the cost of

## Bob Feller To Speak At Masonic Banquet

Bob Feller

Bob Feller, one of the baseball's greatest pitchers of all time, will speak at the Masonic Father and Son banquet Thursday evening, March 21, in the Masonic Temple, Russell Myers, chairman of the Masonic committee planning the event, announced today.

Feller retired this season after 21 years active service with the Cleveland Indians.

The right-handed fireballer won 266 games and lost 162, despite three and a half year's service during World War II.

Feller won more games than any other hurler in Cleveland history. Two years ago, at the age of 36, Feller turned in a sparkling 13-3 record, but slumped to 4-4 the following year. A six-time 20-game winner, Bob reached his peak in the 1939-41 seasons, winning 76 games in those three years.

## \$1.2 Million Granted To Educate Refugees

NEW YORK (AP)—Rockefeller Foundation grants in the last quarter of 1956 amounted to \$8,194,849—including \$1,200,000 for aid to Hungarian refugee students and scholars.

Dean Rusk, foundation president, said Wednesday the refugee grants provides largely for them to study in Austria.

Other grants for the quarter included: \$1,064,709 for medical education and public health; \$1,147,260.

## O'Neill May Ask New Laws For Rest Homes

COLUMBUS, Ohio (AP)—Gov. C. William O'Neill today will ask for recommendations on possible changes in Ohio laws governing rest homes for the aged.

Prompted by fire tragedies at rest homes in other states, O'Neill said he will ask the fire marshal and welfare director for their ideas at today's Cabinet meeting.

## Judge Cited For Drunken Driving

ATHENS, Ohio (AP)—Athens County Common Pleas Judge Francis D. White was sentenced to three days in the county jail today and fined \$25 for drunken driving. His driver's license also was suspended for three months.

Judge Creed J. Lester of Mount Vernon imposed sentence after denying Judge White's motion for a new trial.

A Municipal Court jury found Judge White guilty on a drunk driving charge last Friday after debating for more than an hour. The charge was filed by city patrolman Ted Frey after White's car was involved in a traffic accident here Jan. 16.

## Bogart Leaves Bulk Of Estate To Family

LOS ANGELES (AP)—Actor Humphrey Bogart left the bulk of his estate, valued at a million dollars, in trust for his widow, actress Lauren Bacall, and their children, Stephen, 7, and Leslie, 4.

Bogart, 56, died of cancer Jan. 14. His will, admitted to probate Wednesday, also left small bequests to two household employees.

## Two Women Die In Rest Home Fire

WASHINGTON COURT HOUSE, Ohio (AP)—Two elderly women died here today in a fire which destroyed a rest home.

The victims were identified by police as Mrs. Nellie Glasco, about 83, owner of the home, and Laura Burns, 80. Police said Mrs. Glasco apparently was suffocated while Miss Burns died of asphyxiation.

A third woman in the two-story, seven-room home, suffered smoke exhaustion but was reported in fair condition.

Two policemen discovered the blaze about 12:30 a. m. and broke into the house. They removed one woman but were thwarted by dense smoke in their attempts to save the two victims.

Capt. Charles Crone of the Washington Court House fire department said an investigation showed the two victims apparently tried to douse the flames with pans of water.

He said the blaze, which destroyed the home, apparently started in an open grate. There was no immediate estimate of damage to the home.

## Ohio Lawyers Ask Congress For 3 More Federal Judges

WASHINGTON (AP)—Spokesmen for thousands of Ohio lawyers asked Congress today to authorize three more judgeships for the state's federal courts.

The request was made by bar associations in Cincinnati, Cleveland, Dayton, Youngstown and the Ohio Bar Assn. in statements prepared for a Senate Judiciary subcommittee headed by Sen. Johnston (D-SC).

Johnston's group opened hearings today on his bill to create new federal judgeships throughout the country. For Ohio, his legislation would add two judges in the northern district and one in the southern district.

The Ohio bar groups expressed their views in letters sent to Sens. Bricker (R-Ohio) and Lausche (D-Ohio) for submission to the subcommittee.

Aside from a general problem of overloaded federal district court dockets in Ohio, some of the letters mentioned in particular a new court room in Youngstown that is being used only part of the time.

"We feel," said Russell G. Mock, chairman of the Mahoning County Bar Assn.'s courts committee, "We are entitled to have sessions of the federal court held in Youngstown where we have a beautiful court room available for that purpose."

What is needed, Mock's association said, is a fulltime judge in

Youngstown to handle, not only cases there, but litigation from Warren, East Liverpool, Struthers, Lowellville, Hubbard and Niles.

The problem in the southern district was pointed out by Federal Judge Lester E. Cecil of Dayton. Judge Cecil said he spends, normally, two months a year in Columbus and two weeks a year in Cincinnati. He continued:

"Due to the pressure of the business here in Dayton, I was not able to go to Columbus last fall. If I meet my schedules of trials and bring my docket fairly well up to date here in Dayton, I will not be able to go to Columbus this spring."

"After four years, I am just bringing my docket to the point where I can try civil cases within a year from date of filing. . . . I would say that an additional judge is needed in the southern district of Ohio."

### Tablack Finally Takes Seat In Legislature

COLUMBUS, Ohio (AP)—The Ohio House of Representatives today was up to its full elected strength of 139 for the first time this session.

Rep. G. D. Tablack, Mahoning County veteran of five legislative sessions, took his oath of office Wednesday, just six weeks and two days late.

Tablack, a Democrat, had hoped for an appointment from Republican Gov. C. William O'Neill to the bipartisan state Board of Liquor Control. He said Wednesday, however, he has withdrawn his application.

The reason Tablack delayed his oath-taking was this: Members of a Legislature which grants a pay increase are not eligible to collect the higher salaries. Knowing such a proposal was coming up, Tablack decided not to take the oath so, if appointed, he could be paid \$12,000 instead of the old salary of \$6,000 a year as a liquor board member.

### To Read Washington's Farewell Address

WASHINGTON (AP)—Rep. Broomfield (R-Mich.) will read George Washington's farewell address to the House Friday.

Reading of the address on Washington's birthday anniversary is traditional.

The honor is alternated between Republicans and Democrats.

It was previously announced that Sen. Goldwater (R-Ariz.) will read the address in the Senate.

### SCHOOL PONDERS EXPANSION

DELAWARE, Ohio (AP)—Dr. Arthur S. Flemming, president of Ohio Wesleyan University, says there probably will be no decision regarding an expansion program for the school until June 1958.

A study released Wednesday and conducted by a special faculty committee showed that colleges and universities considering expansion face heavy additional financial obligations. If Ohio Wesleyan adds 500 students, it will need more than five million dollars to give maximum service to its student body, the report said.

The K. of C. Auxiliary will meet Friday evening in the K. of C. Hall at 8.

A homecoming committee headed by Dick Carney met last week to make initial plans for the community's homecoming festivities this spring.

Brownie Troop 5 met at the Methodist Parish House Tuesday afternoon at 3:45.

### Colorado Senate Won't Thank Ike For Visit

DENVER (AP)—The Colorado Senate refused Wednesday to thank President Eisenhower for visiting Colorado on his drought inspection trip last month.

The Senate turned down, 18-16, a House-approved resolution expressing thanks to the chief executive. Both branches of the legislature have Democratic majorities.

Eisenhower stopped at Pueblo more than an hour Jan. 15 and took a first hand look at a dust-damaged farm area southeast of the city.

The Democrats opposing the resolution contended the President simply was doing his duty.

### Coal Pipeline To Go Into Operation Next Week

CADIZ, Ohio (AP)—A pipeline that will move coal from mines in eastern Ohio to a generating plant near Cleveland is expected to go into operation next week. The Cleveland Electric Illuminating Co. hopes to save 12½ million dollars a year in freight charges.

Coal in the form of slurry—half water and half fine-screened coal—will move from the Pittsburgh Consolidation Coal Co. near Georgetown to the Eastlake generating plant, 20 miles east of Cleveland. The 108-mile trip is expected to take a little over 35 hours, averaging three miles an hour.

## SEA LEVEL RISING

COLUMBUS, Ohio (AP)—The sea level has risen several hundred feet during fairly recent times, the dean of the graduate school at Louisiana State University said Wednesday in a talk to the Ohio University chapter of Sigma Xi, a national society for encouragement of scientific research.

Dr. Richard J. Russell said, however, there are signs of a recent slowing in this trend. He said the average rise in the last 18,000 years was about 450 feet, possibly concentrated in 130 centuries, or about three and a half feet per century. He added that the sea level rise during the first half of this century appears to have been two and a half inches or less.

## House Votes Cut In Ike's Budget

### Senate May Restore Post Office Funds

WASHINGTON (AP)—House advocates of a cut in federal spending boasted a modest and hard-won initial victory today, but already there was talk that the Senate will restore some of the money.

The House, sustaining its Appropriations Committee, cut \$80,364,000 or about 2 per cent from President Eisenhower's requests in passing Wednesday a \$3,884,927,000 money bill to finance the Treasury and Post Office departments for the year starting July 1.

The bill is the first of 13 annual money measures under which Eisenhower has asked for more than 73 billion dollars of new appropriations. Some House members are seeking to cut at least five billions.

The House passed the bill by voice vote. It allots \$691,467,000 to the Treasury Department, \$3,192,000,000 to the Post Office Department and \$1,460,000 to the Tax Court.

Cuts included 58 million from

Post Office requests and \$22,364,000 from the Treasury.

The Post Office Department and postal employees protested the cuts.

Sen. Carlson (R-Kan), a member of the Senate Appropriations subcommittee which will handle the bill, told a reporter, "I believe we will be willing to restore some of the Post Office Department funds if they make a good case."

Hearings begin Wednesday.

After two days of debate the House defeated 177-124 an amendment to give the Post Office Department an extra 29 millions. It acted after Appropriations Committee members and others denied that the cut would cost anyone his job or cause impairment of essential services.

## State Of The Union

The depth of Georgia's political bitterness against the U.S. Constitution has been revealed by a pair of legislative resolutions.

Early this month, the Georgia Senate declared the 14th and 15th amendments null and void on the claim that the Congresses which set them up after the Civil War were illegally constituted.

This week, the Georgia House called for impeachment of six justices of the U.S. Supreme Court, charging them with high crimes and misdemeanors. What this means is that the Georgia House wants to disband the Supreme Court for upholding the Constitution in its desegregation rulings.

Georgia politicians are not fooling. They are ready to do everything in their power to keep alive their bread - and - butter issue — southern irreconcilability.

If they were to lose the privilege of inflaming the racial issue, they would have to develop new issues to keep them in power. While no one doubts that racialism is a prime and lively southern issue, no one questions that it is kept that way by unscrupulous southern officials who think of it as sure - fire political ammunition.

The state of the union in 1957, as far as Georgia's firebrand legislators are concerned, is deplorable. They disagree with the outcome of the Civil War.

## Ignorance No Excuse

The Eisenhower Doctrine, it was agreed by its critics at the outset, called on Congress to authorize ahead of time something the President already had authority to do in an emergency and undoubtedly would do.

Why, then, go through the motions of confirming authority already in existence?

Both Mr. Eisenhower and Secretary of State Dulles have made it plain they have only one reason — to make certain that the decision-makers in the Kremlin will not act in ignorance of U.S. intentions if they decide to use military force in the Middle East.

Both men believe Germany started World War I and World War II under the misapprehension that the United States would not fight and that both wars could have been averted by a clear statement of U.S. intentions.

Their belief is strengthened by British publication of a warning sent to Hitler by Germany's envoy in Washington a few days before the outbreak of World War II. It let Hitler know that the United States would intervene. But the warning came too late to halt the inexorable march toward war that Hitler had ordered in his total ignorance of U.S. intentions.

Unfortunately, the intentions never had been made clear to Americans, because Congress never had made them clear. This is what the Eisenhower Doctrine hopes to forestall in the Middle East.

## Special Safety Problem

The fire tragedy at Warrenton, Mo., which killed a still undetermined number of inmates and visitors in a refuge for old persons may sound a national alert.

There is a special security problem in all institutions of this kind — a problem unique in its relationship to fire hazards.

The inmates are helpless or nearly so. That is why they are there. Anything that imperils them is doubly dangerous, because they are unable to help themselves.

Two further factors add to the risk. Many institutions of this nature are housed in structures which either were not designed for the purpose, or which were built so long ago they are no safer than the remodeled single occupancy dwelling homes for the aged usually take over. The Warrenton structure was 65 years old — a brick shell with a combustible interior.

Insurance companies that write fire-damage policies know bad risks when they see them. So do fire inspectors who dare to be forthright in their reports. The ordinary public, which routinely takes too much for granted in protection against fire hazards, is entitled to know whether or not a building which houses helpless people has passed inspection and if not why.

## It Had Better Be Good

Whatever former President Truman is scheduled to do next month that will keep him from accepting invitations from Greece and Turkey to help them observe the tenth anniversary of the Truman Doctrine had better be good.

The country which backed his idea for insulating these two nations from Russian aggression with U.S. military and economic aid will be interested in knowing what kept Mr. Truman from performing a key diplomatic mission.

Anything which hints that he refused to go to Athens and Ankara because he was reluctant to embarrass Democratic senators have been loud-mouthing bitter-end opposition to the proposed Eisenhower Doctrine in the face of new danger in the Middle East will be viewed with bitter disillusionment.

### Industry Losing Race With Rising Costs

Industry is falling behind in the race with rising labor costs. The rate of profit after taxes is going down. Figures are becoming available from more and more companies, telling what happened in 1956.

This is what's back of the recent wave of worry. While it is generally conceded that no depression is immediately ahead, there are indications of considerable anxiety that, unless the trend is reversed, the profit margin will be wiped out in the next few years for many companies in industry after industry.

This may become true especially for those businesses unable to borrow money for more up-to-date equipment or unable to finance such purchases out of accumulated surpluses.

The story of what has caused this downward trend in profits can be given in a single sentence: Industry's wage costs have risen by 212 per cent since 1939 and despite new machines and improved methods, productivity per man hour has increased only 41 per cent within the same period.

Unless companies can get more production out of their increased costs—either with or without new machines—the rising labor costs will inevitably wipe out profits.

THE FACTS SHOW that companies, large and small, are fighting a losing battle with rising costs and that union-labor monopolies are recklessly forcing up the scales of wages which both large and small units in an industry must pay.

Thus, sales in the U.S. Steel Corporation in 1956, as compared with 1955, were up 3.7 per cent and total outlays, including labor, rose 4.6 per cent and hence profits after taxes were down 6 per cent.

The Monsanto Chemical Company, one of the biggest in the chemical field, reported sales up 3.8 per cent, expenses up 4.3 per cent and profits after taxes down 8.5 per cent.

In automobiles, the Ford Motor Company report shows that sales were down 16.9 per cent but expenses were down only 14.5 per cent, so profits, after taxes, came down by 45.9 per cent.

The Burlington Industries, Inc., one of the largest in the textile field, had increased sales of 23.5 per cent and increased expenses of 24.5 per cent and profits after taxes were down 6.7 per cent.

In the publishing business the story is the same—many magazines and newspapers are feeling the pinch. One publisher of a large newspaper in the east points out that newsprint has gone up from

\$85-a-ton in 1947 to \$130-a-ton today and that another \$4-a-ton increase is under way.

MEANWHILE, wage costs have risen sharply. The minimum pay of an experienced newspaper reporter has gone up from \$65 in 1947 to \$124 a week today. The mechanical workers have had boosts of from 65 per cent to 120 per cent since 1947.

The same eastern publisher says he is spending \$2.40 an hour, on the average, in straight-time pay for all employees but that "fringe" benefits add another 51 cents an hour, so the real cost has gone up to \$2.91 an hour.

Equipment costs have soared, too.

While advertising rates have been raised, the same publisher says costs continue to exceed the added advertising income and hence further rises in advertising rates are going to be needed if any profits are to be made. This, however, runs into the possibility of a diminished quantity of space that might be bought because the advertisers themselves face increased costs all along the line.

It would be thought that in the field of electrical appliances, so necessary in modern living, the story would be different. But it isn't. Also, the Radio Corporation of America, with a variety of television and electronic products, showed sales up 7.1 per cent last year and total expenses up 8.2 per cent but profits after taxes were down by 15.8 per cent.

IN THE LUMBER and wood industries, earnings, after costs and taxes, per sales dollar have gone from 8.6 cents in 1947 to 4.3 cents today.

In furniture for the same period, the earnings figure has come down from 5.7 cents to 3.4 cents.

In food, it is now 2.5 cents as compared with 3.7 cents in 1947. Textile mills show a drop from 7.3 cents to 3 cents.

Printing and publishing earnings have come down from 5.5 cents to 3.9 cents.

Surveys of supermarkets show a rising trend in costs and a shrinking margin of profits after taxes.

There are a few industries that show improvement but the bulk are on the minus side. In all industries, small business has been proportionately hurt even more by the rising costs.

Yet, in spite of these facts, labor-union bosses feel they must force the wage scales upward and upward in order to keep ambitious rivals from driving them out of office.

It's a dilemma that, curiously enough, Congress has shown a strange reluctance to investigate and expose. But until the people get all the facts, they cannot decide what the answer is or what remedy must be applied if a serious depression is to be avoided.

## Thirty-Two In One

By TRUMAN TWILL

One more comment on the wedding in our family:

The Perfect Wedding Gift fries bacon on a thermostatic grill while making coffee noisily and popping up nut-brown toast silently.

It is adjustable and equipped with rubber-tired casters so it can be moved from room to room. On one end it has a television screen, adaptable for color. The other end is an automatic dishwasher that can do double duty as a washing machine and clothes dryer.

A power takeoff in the center of the top shelf, which also can be used for tossing salads, chilling gelatin and slicing onions without regrets, runs a floor polisher and a vacuum cleaner, both one and the same which fold up compactly and slide smoothly into an aperture in the base.

The main unit also incorporates a trash and dust depository in its construction, plus a garbage masher and shredder and a low-temperature freezer, a cabinet for keeping milk, cheese and butter and a device for hanging out ice cubes. All this requires a fixture so sizeable a few more cubic feet will not be noticed. In this space are a record player with high-fidelity mechanism, an amplifier of suitable size, circulating heater with warm-weather conversion features for cooling stuffy apartments, an antenna of telescopic design, an electric eye with 30 feet of extension cord attached, an electric clock with portable chimes;

A mixer, a one-horsepower chopper, an oven large enough for a small turkey or a pair of Size 11 shoes, a humidifier that can be run in reverse to take moisture out of the air, a radio, an electric shoe polisher, a quarter-inch drill press, a cutoff saw, a device for killing flies and a roll-out electric blanket that covers a power-driven foldup bed.

The whole thing is encased in gleaming chromium and backed up with a 30-year written guarantee. But its most unusual feature is a built-in cash register with locked-in goodness — the big selling point.

All contributions are rung up on the cash register as made by those wanting to have their names inscribed as donors of the Perfect Wedding Gift. When it is paid for, the names flash on and off in lights that twinkle like the romantic glow

of candles in 16 pairs of wedding candlesticks, which is par for the course.

There is one other feature that makes the Perfect Wedding Gift especially attractive. It can be unplugged and folded up into an easily manageable rectangular package small enough to fit into the back seat of an automobile.

This is because the whole thing is made of Flim-Flam, the new miracle substance that needs no polishing, is ten times as strong as steel yet can be folded up like Cellophane.

Moreover, it is beautiful enough to be a delight to the eye and is guaranteed never to peel, crack or change color.

Aluminum can be rolled into foil so thin that 5,000 sheets would be needed to make up the thickness of one inch.

## Labor Union Monopoly

By RAYMOND MOLEY

Sylvester Petro was born in 1917 in a steelworkers' community in Chicago. His family and early associations were a part of the growing labor movement in the steel industry. His first job was in "the mills."

When the CIO, under the protecting wing of a wholly sympathetic federal government, was completing the organization of steelworkers, Petro took a leading part in preaching and promoting unionization in the Republic Steel Company plant in Chicago.

After working in several other plants, Petro resumed his formal education and with occasional jobs to support him, finished college and law school.

He is now a professor of labor relations at New York University Law School.

His book, just published by the Ronald Press, "The Labor Policy of the Free Society," not only bears the imprint of wide reading and serious thought concerning the rights and responsibilities that are essential in a free society but it shows the long, practical experience of the author in the labor movement itself.

IN A SENSE this book reviews the profoundly disturbing issue before the American people today: Whether we can long tolerate a condition under which there is one law for a labor union and another for all other forms of voluntary association.

Indeed, the broader question whether a labor union as now constituted and protected by government is actually a voluntary association at all.

Racketeering and blithe arrogance on the part of many labor chiefs and unions, Petro shows, is symptomatic of a deep and disturbing fault in our system of law and its administration or perhaps more accurately, its lack of administration.

In tracing labor - law history he effectively destroys arguments put by labor officials to a membership and public they apparently regard as misinformed and glib.

"Far from discriminating against unions," Petro explains, "the law has struggled ineffectively — up to the very present — merely in the

attempt to bring trade unions within the juridical structure so that the same rules could be applied to them which apply to all other persons and entities in society."

This failure has made it possible for unions to achieve a monopoly status in the United States, with compulsion and coercion as "normal" union methods.

Free employee choice, indispensable in a "free" society, under laws such as the Norris-LaGuardia and Wagner Acts, become a mockery.

TWO IMPORTANT points are made by the author which the so-called liberals should ponder: First, that the rule of law does not exist in labor relations; that a man is entitled there in only exceptional cases to a day in court, no matter how unlawfully he has been harmed. And further, that unless the pseudo - judicial, political body, the NLRB, and its general counsel concur in giving an injured person a hearing, he will get no hearing anywhere in the federal system.

This situation is the result partly of congressional action and partly of action of the Supreme Court.

Petro holds that Congress acted unconstitutionally when it gave exclusive power to prosecute and adjudicate the rights and duties established in the National Labor Relations Act to the National Labor Relations Board and its general counsel.

Although they have none of the

characteristics of judicial office, they are given judicial power which is denied to the federal courts, the true repositories of "judicial power of the United States."

The Supreme Court has compounded the chaos. In its notorious pre-emption theory the court held not only that state courts may not hand down decisions in conflict with federal law but also that state courts may not assume jurisdiction over cases involving parties subject to federal power.

CERTAINLY THERE is no basis in the supremacy clause or any other provision of the Constitution to support this strange doctrine. And the "finding" of the court of a congressional intent in the Taft-Hartley Act to "occupy a field" to the exclusion of state courts is simply not true.

In the interests of the society we espouse, Petro sees the answer in abolishing the NLRB, among other things and returning to the regular constitutional courts full jurisdiction in all cases arising under the National Labor Relations Act.

To do so, says Petro, would not be experimenting in the great unknown. "It is not as though the regular federal courts are an unknown quantity. They have been handling labor and commercial cases for almost a century and their record over the long years has been outstanding."

## Paper Industry's Health

By SAM DAWSON

NEW YORK (AP)—The health of the paper and pulp industry often gives a quick clue to how industry in general is faring. And paper leaders report today that demand has levelled off to the point they now have overcapacity to produce.

Paper's role as an indicator of general industrial activity rises from the fact that so much of its various products is used to package the output of other industries on the long and sometimes complicated journey from the factory to the consumer. Any drop in general industrial output is quickly reflected in the activity of the paper industry.

The nation's paper industry produced a record 31½ million tons last year, an increase of 5 per cent over 1955. This by coincidence was the same percentage by which the gross national product—the dollar total of the nation's goods and services—increased.

In turning out this record volume most paper companies did well in the profit department. The first 21 companies in the paper, pulp and their products industry—making everything from newsprint to picnic plates—to report their net profit after taxes in 1956 showed combined earnings of \$159,272,280. This is a 22.7 per cent increase over the \$129,778,449 the same companies made in 1955.

Although reporting overcapacity for the moment, many leaders in the industry consider this but a temporary thing.

They lay the levelling off in demand to disturbed world conditions, which have affected European production notably, and in some extent to the tight money situation in this country.

They contend that a search for new markets for paper will shortly take up the slack here.

And despite temporary overcapacity the industry plans further expansion to meet increased demand which the companies foresee in the years ahead. Industry

leaders say that paper companies plan to spend a record 900 million dollars this year, which would be 100 million more than was spent on expansion last year.

David L. Luke Jr., president of the American Paper & Pulp Assn. and also president of the West Virginia Pulp and Paper Co., warns that the industry will need stability if it is to attract investment cash it will need to meet what he calls a seemingly assured growth of markets over the long term.

Not all leaders of the pulp and paper industry are agreed on the outlook for 1957.

Karl Clauson, president of the Assn. of American Wood Pulp Importers, doubts if there'll be much increase in consumption of market pulp this year. He thinks it may take two or three years before the long term growth factors will make industrial demand catch up with the available supply of pulp.

Samuel Sutphin, president of Pulp Consumers, on the other hand, looks for users of paper grades of market pulp to consume 230,000 more tons this year than last.

### So They Say

It gets pretty lonely, all right. I take three steps and I can go from one end of my cell to the other. It's the smallest cell I've ever been in. . . . Yes, I do pray. I go to church every Sunday. — Warren Nutter, 19, awaiting execution in Iowa State Penitentiary for the murder of a policeman.

## Once Over

By H. I. PHILLIPS

### With Godfrey In Africa

Arthur Godfrey, on safari in French Equatorial Africa will talk to his American audience daily over at least one program. It will be the first attempt to transmit a ukelele with laughs and commercials that distance with lions, elephants, water buffalo, etc., dissenting.

If the wild beasts are not allergic to advertising "plugs" and the Redhead's jokes all should go well. We hope that if a lion inadvertently gets into the act it will reflect the "Mister Godfrey, I presume" attitude of welcome and kindness. The American airwave audience will get a kick out of the jungle show, but how will the jungle take it. Will the animals and native tribesmen act like good Godfrey fans? (What if water buffalo don't like onion soup?)

THERE WILL BE 12 Americans and 48 natives with Arthur, water hole by water hole. We think the tribal chiefs should condition the natives with the following proclamation:

"Fellow tribesmen, give ear! Mighty white airwave chief known as Bwana Godfrey is friend. Harm nobody not member of regular cast. Big equipment white chief bring to jungle is for peace. Make no trouble unless he puts on too many male quartettes.

"If Bwana Godfrey laugh before he make joke do not take offense. White showmen all make it custom to do so to assure audience giggle in right spot, half joke, whole joke or no joke. Big chief use 48 natives. Do not be nervous. Contract provides no guide can be fired without notice.

"GODFREY CARRY MIKE. Have no fear, men, Mike cannot be dangerous unless he talk about wild animals and animals demand equal time!!!"

"If American airwave king make very loud talk which you do not understand, do not be disturbed. It is probably about iced tea, women's hair preparations or cake mix. White man will speak daily from Africa to Peter Lind Hayes in New York. Godfrey talk to Hayes and laugh. Hayes talk to Godfrey and laugh back. This is quaint American custom radio world.

"If you see mighty white airwave chieftain suddenly confronted by a man - eating lion and calmly asking, 'Whom did you bring with you?' do not be confused. He will be merely trying the routine of program called The Talent Scouts.

"FINAL WARNING all natives in safari: do not fail to have pitchers, ice cubes and glasses well forward for iced tea jungle talk. If animals or hostile tribes make attack, hold them off until program is finished so sponsor will not get colder than animals. Luck be with you! And remember there is always a chance you will get audition and wind up as airwave star."

BUSINESSMEN OF Lincoln Road, famous Miami Beach shopping center, are establishing a free rickshaw service directed by Marco Liang, a Chinese - American. . . . This could be a partial solution to modern traffic congestion, but we are afraid there will always be people who will insist upon a Fleetwood style rickshaw 40 feet long in a choice of three colors drawn by a Chinese.

It was a refreshing novelty to see on a jackpot program a contestant who quit when he was ahead. . . . This was Nils T. Granlund famed American showman of the 20's and early 30's, who got up to 10 grand and took IT! . . . Granlund is as game as they come and a great chance taker, but he is smart enough to know that \$10,000 for a few minutes work is worth bothering with.

Ted Williams has signed for 100 grand per baseball season. . . . This is pretty embarrassing to American mothers who told Junior, "Now you do your homework first and don't waste your time playing baseball."

If you plan to itemize your deductions for 1956, you will be interested in the table printed with this article which shows the average deductions, as percentages of adjusted gross income, claimed by taxpayers in 1952.

It is always wise to have records to back up your deductions. This is especially important if your

deductions exceed the averages shown in the table.

But before you can decide whether to itemize deductions, you must determine what medical, child care, casualty, and other deductions you can add on to the deductions covered in the previous chapter of the Income Tax Primer.

TO DETERMINE your deductible medical expenses, you should first separate all amounts spent in 1956 for medicine and drugs because such amounts are subject to a special rule. Then add up all amounts paid for medical or dental care, including all the items described on page 9 of the official instructions.

Amounts paid for medicines and drugs can only be included in the deduction to the extent they exceed 1 per cent of your adjusted gross income. This is so regardless of the age of you or your wife.

If, however, either you or your wife was 65 on or before Jan. 1, 1957, the remainder of your expenditures for medical and dental care for yourself or your wife can be deducted in full up to a maximum dollar limit. If neither you nor your wife was 65 on or before Jan. 1, 1957, then your medical and dental expenses must first be reduced by 3 per cent of your adjusted gross income and you can only deduct the remainder, subject to a maximum dollar limit.

THE MAIMUM dollar limit on the amount of medical expense deduction is now:

\$5,000 on a joint return or return of a head of household, if two exemptions are claimed; \$7,500 if three exemptions are claimed; and \$10,000 if four or more exemptions are claimed.

On a separate return of a taxpayer not the head of a household, \$2,500 if one exemption is claimed, and \$5,000 if two or more exemptions are claimed.

In determining the limit on medical expenses, do not count the extra exemption for old age or blindness.

Keep in mind that you can include any medical, dental or drug expenditures you make on behalf of either a dependent or one you could have claimed as a dependent if he had had gross income in 1956 of less than \$600. If you or your wife were 65 or over in 1956, the amounts paid by you for medical or dental care of your dependents can only be included to the extent they exceed 3 per cent of your adjusted gross income.

The so-called child care deduction for working mothers has several restrictions. For one thing, even though you qualify for the deduction, you cannot claim it and the standard deduction too. Like other personal deductions, it can only be deducted if you itemize on page 2 of Form 1040.

THE ONLY PEOPLE entitled to this deduction are women (including working wives) and men (provided they are widowers, legally separated, or divorced; who, in order to be gainfully employed, must pay for the care of one or more of the following described dependents:

A son, daughter, or stepchild who is under 12 years of age or to any dependent who is physically or mentally unable to care for himself.

A taxpayer is considered to be gainfully employed if he is working for someone else, is self-employed or is looking for work.

For any one year, you cannot deduct more than \$600 for such expenses regardless of how much more you actually spent. If you spent less than \$600 for care of the dependent while you were "gainfully employed," then you can only deduct the amount spent.

The amount of the deduction is subject to two further limitations if you are a working wife. These two limitations do not apply, however, to a working wife whose husband is incapable of self-support because of a mental or physical disability. The limitations are:

1. The working wife must file a joint return with her husband, and
2. Her dependent's care deduc-

tion must be reduced by the amount by which the adjusted gross income on the joint return exceeds \$4,500. For example, if she has spent \$500 for dependent's care while she was "gainfully employed" and the adjusted gross income on the joint return was \$4,650, her deduction would be reduced by \$150 (\$4,650 minus \$4,500) to \$350.

DO NOT INCLUDE in the deduction any amounts paid for a child or other dependent's care to someone who is also your dependent for tax purposes. Thus, if a widower pays his 17-year-old daughter \$60 a month to stay home and take care of his younger children, he is not entitled to a \$600 child care expense deduction for those payments.

Property losses caused either by a casualty or theft can be shown on page 2 of Form 1040 even though the property is for your own personal use. Casualty losses include damage from fire, storm, flood, lightning, hurricane and other sudden, unexpected or unusual causes. Thus damages from a bursting boiler or frozen pipes would be a casualty loss.

You can deduct damages to your car caused by a collision unless the collision was due to your willful negligence. Faulty driving is not classed as willful negligence, but driving while intoxicated is so classified.

The amount of the loss or damage to be deducted should be computed in accordance with the official instructions on page 10.

If you have difficulty determining the fair market value of the property both before and just after the loss, as required by the instructions, remember that such things as repair bills, insurance adjuster's estimates, and police or fire department records are good evidence of the amount of your loss.

A LOSS FROM a casualty or from theft should be deducted in the year the loss occurred. If you are covered by insurance, the loss must be reduced by any recovery. If your casualty loss in 1956 ex-

ceeds your 1956 income you can deduct the excess from your 1954 and 1955 incomes and get a refund. Do this by filing a claim on a form you can get from your District Director of Internal Revenue.

The last deduction schedule on page 2 is a catch-all for deductions not taken elsewhere. Typical examples of items that can be deducted in the "Miscellaneous" schedule are:

1. Expenses of earning your salary or wage. Any ordinary and necessary expenses in your line of work are deductible. This includes dues, initiation fees and assessments to labor unions, and professional societies; entertainment of customers to promote specific deals, and not just for general good will; uniforms, work clothes
2. Alimony paid regularly, but not necessarily at fixed intervals, under court order. You cannot deduct any sums specifically designated for the support of your minor children.
3. Costs of management, maintenance and conservation of property held for investment. This includes cost of a safety deposit box for your securities.
4. Fees or expenses incurred in preparing your income tax return.

and costumes required in your work that do not replace your own ordinary clothing; safety equipment, tools and supplies necessary and customary in your work.

3. Costs of management, maintenance and conservation of property held for investment. This includes cost of a safety deposit box for your securities.

4. Fees or expenses incurred in preparing your income tax return.

## New Spud Varieties Face Further Tests At Firestone Farms

COLUMBIANA — New varieties of potatoes raised on test lots at Firestone Farms last summer will receive more extensive tests this summer, it was reported at the annual institute of Columbiana and Mahoning County potato growers at Heck's Restaurant here yesterday. About 50 growers attended.

Grown from seed received from the Ohio Experiment Station at Wooster were new varieties Early Gem, Progress, White Rose, and Red McClure from Stark Farms, Wis.; Plymouth, Satapa and La-Salle, from the U. S. Department of Agriculture; Delus, from Maine; and Pungo and Keswick from Prince Edward Island off the Nova Scotia coast.

A new variety, Sage, from the Ohio Experiment Station yielded at the rate of 881 bushels to the acre and the ten highest years were in excess of 750 bushels to the acre, Manager Charles Harper of Firestone Farms reports.

L. M. Hardison of Richford, N.Y., "ified seed grower and secretary of the National Potato Council," speaking on "Ignorance of Ve Potato Growers in Marketing Our Potatoes," urged organization of growers to control prices.

E. C. Wittmeyer of Ohio State University spoke on "Big Gains from Little Practices." Other speakers were V. E. Keirns of the Ohio Potato Growers Association who talked on "Marketing Potatoes in Ohio"; and Lyle Goleman of Ohio State University, on "Insect Control."

means of pressure left to the U.N. These officials said they could not predict what kind of sanctions might be considered.

Eisenhower delivered his address under the handicap of what he himself called "a bad cold," and later referred to as "a very stubborn cough." But he spoke steadily without coughing during the 25-minute talk.

The President said bluntly that the Soviet Union because "of its size and power and by reason of its veto in the United Nations Security Council is relatively impervious" to types of sanction other than moral pressure.

Arguing that "two wrongs do not make a right," he said that the United States is exerting "moral pressure against the Soviet Union" and that the inability of the U.N. to carry out its resolutions against Soviet action in Hungary is no reason for ignoring what he called "Israel's default."

tion of justices in Liverpool Township because East Liverpool Municipal Court has jurisdiction in that area, O'Hanlon pointed out.

The population of the eight justice of the peace districts totals 71,036, he said. Added to the 20,884 in Liverpool Township, it brings the total of 98,920 for the county, he explained.

The County Justice Commission that set up the system was comprised of Common Pleas Judge Joel H. Sharp, Probate Judge Louis Tobin and W. A. Southan, as chairman of the county commissioners.

However, since Southan's resignation and the election of W. A. Hunston of East Palestine as head of the commissioners, Hunston will serve on the Justice Commission.

In cases where the justice of the peace district lies in more than one township, there is no provision in the law that requires a prospective candidate to circulate a petition in all townships of the area, O'Hanlon pointed out. For instance, if the prospective candidate resided in Knox Township of the first district, he could obtain all the required signatures in his own township, O'Hanlon explained.

## Plaintiff Wins \$10,000 For Traffic Injuries

LISBON — A common pleas court jury Thursday awarded \$10,000 damages to an East Liverpool man who had filed personal injury suit against an Irontale man as a result of an auto accident Nov. 21, 1953.

Edward H. Keener of 927 Miner-va St., East Liverpool, was awarded this sum by a jury, which deliberated one hour and 15 minutes. He had asked for \$25,000 damages from Paul A. Tice of Irontale, claiming injuries from an auto accident on Route 7 between East Liverpool and Wellsville Nov. 21, 1953.

The jury included Donald Baxter, Robert Yountz, Donald Wolfe, Carl Wollam of East Liverpool; Mary McConnor, Helen Muntz, Norma Lozier, Elizabeth Schaefer of Salem; Evelyn Scharf of West Point; Opal Blockson of Leetonia; E. A. Fishel and Dorothy Cowden of East Rochester.

### W. U. Filler Funeral

Funeral service will be held Saturday at 2 p.m. at the Arbaugh-Pearce Funeral Home for William U. Filler, 89, who died Wednesday at Englewood, N.J. Interment will be in Grandview Cemetery.

Friends may call at the funeral home Friday evening.

Mr. Filler, a former Salem resident, was born in Zanesville July 11, 1867. He was the son of John and Martha Filler. Since early youth, he had been active in religious educational work and after coming to Salem was secretary for the local YMCA. Later he was employed by the American Steel & Wire Co. in the accounting department until his retirement a number of years ago.

While residing here, he was an active member of the Methodist Church, serving as teacher of the Unity Bible Class and director of the choir for several years. He moved to Teaneck, N.J., he transferred his membership to the Methodist Church there. He also was a member of the Retired Men's Club of Teaneck.

Mr. Filler was married to Frances Leonora White, who preceded him in death Feb. 15, 1949. A daughter, Rosemary Hofmann, died in 1955.

Surviving are three daughters, Anne V. Filler of Teaneck; Mrs. Frances Dayton of Williamsburg, Va.; and Mrs. C. B. Bayle of Sandusky, Mich.; seven grandchildren three great-grandchildren; two sisters, Mrs. Clara Zimmerman of New Castle, Del., and Mrs. Grace Barker of Lakewood; two brothers, Charles A. of Norwalk, Conn. and Frank of Lakewood; and two nieces, Elizabeth and Mary Wirsching of Euclid St.

### Mrs. Frank A. Clunk

LISBON — Mrs. Rose Clunk, 76, died at the home of her daughter, Mrs. Thomas Wilson of the Thomas Road at 9 a.m. today. She had been in ill health since last August.

Born August 11, 1880, in Sicily, she was the daughter of Mr. and Mrs. Joseph Brancato. The family moved to America when she was eight years old.

She married Frank A. Clunk in Lisbon in 1894 and has lived here since that time.

She is survived by her husband, residing on Sherman St., one daughter, Mrs. Wilson; three sons, Joseph Clunk of Philadelphia, Pa.; Dr. Ray H. Clunk of Massillon and Francis C. Clunk of Lisbon.

Services will be conducted Saturday at 9 a.m. at St. George Catholic Church by the Rev. Fr. Francis Thome. Burial will be in Lisbon Cemetery.

Friends may call at the Eells-Leggett Funeral Home Friday evening.

After his service discharge he came back to win 26 games in 1946.

Rapid Robert, as he was called, set numerous records, but the ones he cherishes most are his three no-hitters, his dozen one-hitters, his 348 strikeouts in 1946 and his 18 strikeouts in one game (against the Tigers on Oct. 2, 1948.)

His lifetime total of 2,581 strikeouts in 3,828 innings is second only to that of Walter Johnson.

### Salem Man Sentenced On Juvenile Charge

LISBON — Bob Zubaty, 23, of Superior St., Salem was sentenced to one year in the county jail and was given a \$1,000 fine for acting in a manner tending to cause delinquency of two Salem juvenile girls.

The fine and five months of the jail sentence was suspended by Judge Louis Tobin if Zubaty is of good behavior, stays out of taverns, doesn't associate with any females under 18 years of age, and leaves Columbiana County when he is released from serving seven months in jail.

### WILL IS CONTESTED

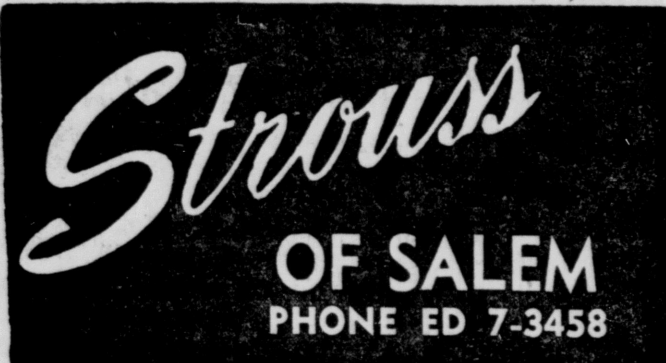

AKRON, Ohio (AP)—Filing of a will which leaves an estate valued at 1½ million dollars to Frederick H. Hale, a Summit County deputy sheriff, is being contested in probate court by attorneys who refuse to name their clients.

Appearing before Judge Vincent Kuppert Wednesday the attorneys contended the will left by Mrs. Lillian G. Hale is invalid. Mrs. Hale, widow of a Firestone Tire & Rubber Co. development engineer, died here Jan. 29. Under terms of the will, all but \$7,000 of the estate was to go to her adopted son, a \$335-a-month sheriff's deputy.

## District Republican Women Hear Mrs. Katherine Brown

Mrs. Katherine Kennedy Brown, Ohio's national Republican committeewoman and president of the Ohio Federation of Republican Women's Organizations, was guest speaker at the Salem Republican Women's Club meeting Tuesday evening at the Smucker House.

The meeting was opened by prayer by Mrs. Ross Clay.

Mrs. J. H. England presided at

the short business session. She introduced Miss Hazel Linn who presented the program which consisted of a paper on "Lincoln — The Man for the Ages" by Mrs. Clay. She closed her discussion by giving a recitation about Lincoln.

Miss Mary Herbert presented the topic, "If Washington Should Return in 1957." She explained the changes George and Martha Washington would have found if they had attended the presidential inauguration in 1957.

Mrs. Matt Melitschka read a paper, "February's Hall of Fame," which was prepared by her mother, Mrs. Charles Snelv. The paper cited the noted people born in February and their contributions to the world.

Mrs. Letha Asty introduced Mrs. Brown who spoke on her trip to the presidential inauguration and party membership. She said every woman should take citizenship seriously and should be an active and working member of a political party. A question and answer period followed.

Lunch was served by Mrs. Charles Snyder, Miss Elma Auld, co-chairmen, Mrs. Hobart Butcher, Mrs. William Pritchard, Mrs. Gilbert Edgerton, Mrs. Carl Abbe, Mrs. J. Harold Brian, Mrs. James Carpenter, Mrs. William Corso, Mrs. Frank Bryan, Mrs. Asty, Mrs. A. L. Bricker and Mrs. Elizabeth Baker.

The table was decorated in the patriotic theme. An arrangement of red and white carnations and blue hyacinths formed the centerpiece. Mrs. Butcher and Mrs. Pritchard presided at the silver services.

Eighty-five guests were present from Wellsville, East Liverpool, East Palestine, Lisbon and Columbiana.

Mrs. Brown and Mrs. England were presented carnation corsages. The special prize was awarded to Mrs. Helen Walker of East Liverpool.

The next meeting is scheduled for March 19.

## Baptist Church Plans School Of Missions

A school of missions will begin Sunday in the First Baptist Church and continue through March 31 from 5 to 7 p.m.

Object of the school will be to keep the congregation informed about missionary work and to promote family fellowship in the church.

Study classes will begin at 5 p.m. with the following instructors: adults, Joe Gerlack; youth, Mrs. Tom Starkey; children, Mrs. R. J. Hunter; nursery, Nancy London and Sherill Hutson.

A lunch and social hour each evening at 6 will be followed by a general assembly at 6:30 when films, playlets and speakers will be featured.

## Knights Templar Inspection Is Set

Sir Knight Thomas Gibson of Athens, O., past grand commander of Knights Templar of Ohio will act as inspecting officer during the annual inspection of Salem Commandery Saturday afternoon and evening at the Masonic Temple.

Initiatory work will begin at 3 p.m., and dinner will follow at 6:30. Inspection will open at 7:30 p.m.

Maurice Michaud of Columbiana will relate his experiences as a passenger aboard the liner Stockholm when the Stockholm and the Andrea Doria collided last summer.

## Travelers Club Hears Talks on Foreign Lands

Mrs. Harold Musser presided at the Travelers Club meeting Tuesday afternoon at the Ruth Smucker House. Twenty-three members were present.

In recognition of Mrs. Ruth Smucker's birthday anniversary a Tuesday, Mrs. Musser suggested that the club adopt a resolution to dedicate a special tribute to Mrs. Smucker's memory in appreciation of the gift of her home to the Salem Federation of Women's Clubs.

"A Fabled Land in Central Asia" was the paper presented by Mrs. Louis Mulbach. She told of Hunza, a mid-Asian paradise of 25,000 inhabitants visited by Frank and Jean Shor who followed the trail of Marco Polo.

Miss Lillian Schroeder discussed, "Bruges, the City the Sea Forgot." She explained that this landlocked city which had been a rich store house of art since the middle ages, combines the old and new.

"Benelux Today" was the subject presented by Mrs. George Hoffman. She told that Benelux is not a place to be found on maps, but rather an idea. The combination of the words Belgium, the Netherlands and Luxemburg, account for the word, Benelux. These countries united as stepping stones toward a United States of Europe.

A tea will highlight Tuesday's club meeting. Hostesses will be Mrs. M. H. Mawhinney, Mrs. George Bunn, Mrs. Samuel Chessman, Mrs. George Emery, Mrs. Helen French, Mrs. Fred Israel, Mrs. Ernest Whitacre, Mrs. Thomas Howett, Mrs. Arthur Vaughan, Mrs. Jack Harroff, Mrs. Orvil Hoover and Miss Schroeder.

**Methodists Plan Supper For Feb. 28**

Plans for a public penny supper at the New Garden Methodist Church on Thursday, Feb. 28, were made when the Women's Society of Christian Service of the Methodist Church met recently at the home of Mrs. Donald Smith. The proceeds will be used to buy a potato mixer for the kitchen. The members made aprons, pillow cases and prepared rugs for the bazaar.

A coverdish dinner was served to 18 members and five children. The business meeting was conducted by Bertha Ward. The electric sweeper which was purchased for the church was reported by the committee.

Program was prepared by Alta Baker stressing the need for more people for missionary work at home and abroad.

The next meeting will be held at the home of Mrs. Homer Stryffeler of New Garden. The program will be on "Mental Health."

**Home Rebekahs Vote Red Cross Donation**

Twenty-five members of Home Rebekah Lodge attended its regular meeting Tuesday evening at the I.O.O.F. Hall.

Mrs. Richard Keller presided at the meeting when members voted to make a donation to the Red Cross.

Lunch was served by Mrs. John Cobedesh, chairman, Mrs. Helen Meier, Mrs. W. F. Ohler and Mrs. Marjorie Cosgrove.

The next meeting will be March 5.

**FETED ON BIRTHDAY**

James Hendershott was honored on his fifth birthday recently when Mr. and Mrs. Clyde Hendershott, his parents, were hosts at a party in the Hendershott home in Winona.

Guests included Mr. and Mrs. Dwight Phillips and their children, Donna, Billie, and Roger.

The dinner table featured red and white appointments. Gifts were presented to James. Games and picture taking comprised the social diversions.

**TO BE ON PROGRAM**

Mr. Close was in charge of the games. The hostess served lunch to the 19 members present.

The March 18 meeting will be at the home of Mr. and Mrs. Glen Thorne of 1164 Liberty St.

**Meany Tries to Iron Out AFL-CIO Job Disputes**

WASHINGTON (AP) — AFL-CIO president George Meany says the assignment of former AFL officers to most top jobs in the AFL-CIO national organization was not intended as a precedent for lower-level labor mergers.

Meany sent out letters to state and local union groups in an effort to iron out rival claims among many AFL and CIO leaders for top jobs when their organizations merge. The controversies have been stalling merger actions.

AFL and CIO state and local groups have until next December to complete their mergers.

## Ohio Will Start New Fiscal Year In The Black, Gov. O'Neill Predicts

COLUMBUS, Ohio (AP)—Ohio is going to start out its two-year bookkeeping period July 1 financially even at least, the new Republican governor predicts.

Gov. C. William O'Neill told newsmen Wednesday there will be enough money in the state treasury at the end of the present fiscal biennium to make up whatever deficit is found to exist in the state school subsidy fund.

There might even be a few dollars left over.

The 1955 Legislature appropriated 275 million dollars for the school subsidy under a new distribution formula in the two-year period which ends June 30. Estimates are that 25 to 30 million more will be needed to meet the state's obligation until June 30, but O'Neill says he doesn't have a final figure yet.

Presumably the state school subsidy cost for the last two years, as well as the next two years, will have been established by the time O'Neill delivers his budget message to the Legislature Tuesday afternoon.

Cost of the school subsidy in the next two years, O'Neill estimates, will be 360 to 365 million, "the biggest money problem we have."

The deficiency appropriation for schools will not be included in the big budget bill—which, for the first time, may reach one billion dollars—but will be in a separate measure. It will come from the surplus built up in the present two-year bookkeeping period.

The surplus of actual collections above the income estimates of two years ago would have been 80 million had not the Legislature dug into the surplus for urgent needs.

### Truck Falls Through Ice, Two Men Escape

PORT CLINTON, Ohio (AP)—Two men were going across the three-mile ice "bridge" between Catawba Point and Put-in-Bay in a pickup truck Wednesday night when the truck broke through the ice about halfway across and sank 35 feet to the bottom of Lake Erie.

Ernest Nitschke, 51, and James Tobin, 42, both of Put-in-Bay, freed themselves from the truck and scrambled onto solid ice. Tobin was brought to Magruder Hospital here suffering from shock and exposure.

### Billy Sunday's Widow, 88, Dies In Phoenix

PHOENIX, Ariz. (AP)—Mrs. Helen (Ma) Sunday, widow of evangelist Billy Sunday, died Wednesday in Phoenix. She was 88.

She had been staying at the home of her grandson, Paul Haines, a Phoenix advertising man. Haines said his grandmother had been suffering from cancer of the lung, and a heart ailment.

Mrs. Sunday, whose home was in Winona Lake, Ind., married the famous evangelist Sept. 18, 1888. Her husband, who spellbound audiences with his religious fervor, died in 1936.

with them again before the budget message is delivered. He will talk today, he said.

Possible state purchase of Malabar Farm in Richland County, home of the late conservationist and author Louis Bromfield, moved a step closer Wednesday. The House voted 96-32 to create a commission to study purchase of the

farm, which bears a \$145,000 price tag. Creation of the commission now will be considered by the Senate.

The six-member Senate-House group would be required to make its recommendation by March 18.

A proposal was made in the House by Rep. James F. McCaffery (D-Cuyahoga) to compel the entire state to observe Eastern

Standard Time. But the bill appeared destined to run afoul of the "home rule" provisions of the Ohio constitution under which many northeastern Ohio areas now go on "fast time" in the summer months.

Three Democratic senators—Ed Witmer of Canton, Charles Carney of Youngstown and Frank King of Toledo—offered a bill which would

add temporary disability insurance to Ohio's unemployment compensation system.

State plans, they pointed out, offer no protection for a worker who is off the job because of illness or a non-industrial accident.

Other bills introduced Wednesday would:

Permit a horse racing track to have more than 44 racing dates a year, so long as the increase does not conflict with dates of nearby tracks.

Raise the cost of fishing, hunting and trapping licenses, but give them free to all residents over 65. Provided fines of \$100 to \$500 a day against the natural resources director and the park chief for each day they permit swimming in unguarded state lakes.

## it's the personal interest that pays off

You're *somebody* when you shop here at home . . . a real "queen for a day." It's a good bet that our merchants know you personally . . . are friends and neighbors. They roll out the red carpet because they're sincerely glad to see you.

And they go all out to please, to see that you get exactly the merchandise you have in mind, at the right price. There's a genuine warmth and interest on the part of everyone in their stores. Shopping at home is a pleasant experience. You return home fresh, relaxed and satisfied that the friendly hometown merchants will never let you down.

Contrast all the above advantages with spending your shopping dollars at BIG CITY stores. After driving scores of tiring miles and being exposed to the many motoring hazards, you're just another customer . . . a stranger among strangers. If anything goes wrong with your purchases, a lot of time is wasted in adjustments.

When you consider the extra expense and trouble in driving long distances to shop, you'll decide it's smarter to be a V.I.P.\* in your hometown stores.

## Facts From The Mail

By HAL BOYLE

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

That the phrase "red tape" — meaning the annoying delays of officialdom — arose in the 19th century in England, where government and legal documents were tied with a pink-red tape.

That Maine is the only state in the union which adjoins only one other state.

That a honeybee can vibrate its wings 440 times a second, or 26,400 times a minute and that's some buzzin', cousin!

That Black Sea isn't black. It gets its name because of the dense fog and violent storms that darken the area.

That the "monkey wrench" got its name from its inventor, Charles Moncke, a London blacksmith.

That Mort Abraham, NBC-TV producer, relaxes with a hobby that would tie most of us in knots — he studies the theories of Einstein.

That U. S. government publications, which usually bear titles as long-winded as a marathon runner, now include a booklet that is simply called "beer". Wonder what in the world it could be about?

That Arthur Murray says to learn to dance the cha-cha all you have to do is wave goodbye — without using your hands.

That sportscaster Mel Allen was so studious as a lad he entered the University of Alabama at 15.

That bees usually fly in a straighter line than crows. So, if you're in a real hurry, you'll get there faster by "making a bee-line" than by going "as the crow flies."

The surrealist painter Salvador Dali's latest brainstorm is an art form he says is based on the patterns made by electrons and neutrons during atomic experiments.

That actors Walter Slezak gives this appraisal of most modern art: "It can't be as bad as it's painted."

That you are a born poet if, off-hand, you can think up words that rhyme with office, cobra or awkward. (All right, then, take all day.)

That the question most often asked last year by 1,400,000 visitors to the Empire State Building's observatory was, "How much does the building sway in a storm?" A check by a gyroscope shows the top of the 460,000-ton structure never moves more than 1/4th of an inch off center.

That some sleepless fellow Australia has figured out his country now has 139 million sheep.

That some sleepless fellow in observed:

"From birth to age 18, a girl needs good parents. From 18 to 35, she needs good looks. From 35 to 55, she needs a good personality. From 55 on, she needs good cash."

FORT PIERCE, Fla. (AP)—Funeral services for Joseph F. Joy, 73, founder of the Joy Manufacturing Co. and inventor of the first coal loading machine, will be held here tomorrow. Joy, who founded a coal saw firm in Marion, Ohio, in 1930, died in his home here Tuesday.

## House Votes Money For Home Mortgages

WASHINGTON (AP) — The House has voted to give the government another 500 million dollars to help increase the flow of home mortgage money.

In doing so Wednesday, the House cut in half President Eisenhower's request to increase by one billion dollars the amount of money which the Federal National Mortgage Assn. can use between now and July 1 to buy government-backed home loans.

A Senate Banking Subcommittee took a similar action two days ago.

An increase in FNMA's mortgage-buying authority is aimed at making more private capital available for home loans at a time when the supply of such funds is tight.

### Elkton Youths Give Church Bulletin Board

LISBON — A bulletin board was presented to the Elkton Methodist Church by the Youth Fellowship, when they met Monday evening at the Elkton parish house.

Helen and Ronald Reeder, led devotions and refreshments were served by Glen Moore and Ronald Smith.

Plans were discussed for the summer camp and a skating party was planned for this evening.

The next meeting is March 4.

## Inside Labor

By Victor Riesel

There's a baby with a bullet hole near her brain. This four months old girl is in an Indiana hospital near a small town which, in recent months, has heard the mutterings, the tramping of feet, the scuffling of angry men and women and the startling shrieks of state trooper sirens during the picketing and bitter moments of a three months old strike.

The child, Julia Ann Russell, is the daughter of a couple who works in the office of a struck company, the Potter - Brumfield Manufacturing Co. of Princeton, Ind. The tot was hit when a fusillade of rifle shots ripped her parents' trailer.

This strike was called by a lodge of the International Association of Machinists. If we had the

evidence, we'd print the name of the gunman. But suspicions are worthless.

Only this is certain: The wounded child is a warning of dangerous adult delinquency creeping back into labor relations.

UNTIL THE POLICE run down this gunman, we won't know who tried to provoke what. But it wouldn't take a baby with a hole in the head to electrify the country.

The right to strike, the right to fight a strike — are no license to kill or maim or wound or blow up property.

Nor is there license to hire private detectives to run strike leaders off the road with speeding cars. All this has happened in the recent past. And the time is now to point a finger before more bullets spatter more people.

That finger points at labor's rank and file, it must be reported, even now when it is open season on many national labor chiefs.

In the case of the baby, it can be reported that the Machinists'

National president, Al J. Hayes, was hit by the news with anguished impact.

He posted a \$1,000 reward. He wired Indiana local and state officials full cooperation and burned out the wires with needling conversations with the lady president of the local union.

Let's leave this story here until the police nail the rifle toter. But let's not forget it. For there has been other violence which the country has forgotten.

There's still a telephone strike in Portsmouth, Ohio. The city went on smoke signals and wireless last summer.

WITNESSES testifying before the Ohio legislature reported that the damage to the telephone company has been \$350,000.

The city manager reports that his house was shot at twice, at night, of course. His life was threatened. There has been a mob some 300 strong — tossing telephones, rocks and glass at the exchange buildings.

Cables were cut. Some people had to travel 25 miles to make a routine call. Supervisory employees have been beaten.

"On several occasions it became necessary to evacuate them (supervisory men) because they were in jeopardy of life and limb. Vandalism reached an appalling degree in the greater Portsmouth area.

"Cable cuts particularly were so numerous that even augmented repair crews of the company were unable to effect restoration as rapidly as the vandals cut. . . . Ten thousand of the 17,000 phones in Scioto County were out of order as the result of vandalism, (when the services were finally shut down — V.R.), according to Clair Williams, president of the Ohio Consolidated Telephone Co., when he testified.

(Editors Note — Over the past weekend, Portsmouth police reported 30 more cases of cable slashings which knocked out service at Portsmouth hospitals and disrupted communications at the sheriff's office and the State Highway Patrol post. They said only 3,500 to 4,000 of Consolidated's phones are now operating. Meanwhile negotiations are continuing in Columbus in an effort to settle the strike.)

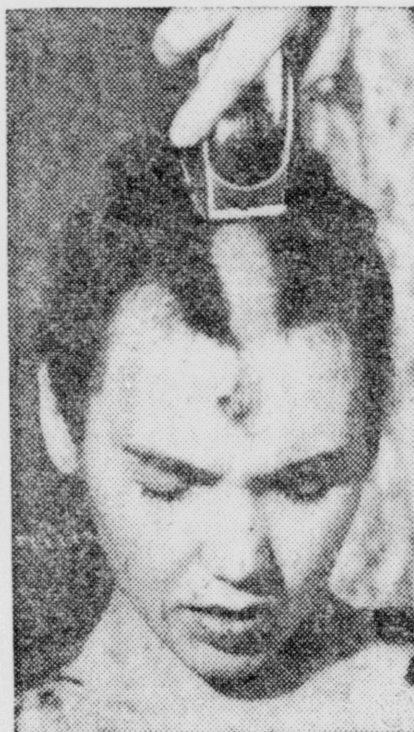

THIS COMMUNICATIONS Workers' strike began not too long after a previous one had kept southern states in jitters for months. During that siege of the Southern Bell Telephone Co., the

## CAME THE SHORN—

Many an actress has had a close shave in the movies, but probably none closer than that endured by Natalia Daryll, 24-year-old Russian actress, in her Hollywood debut. For her role in "The Secret Diary of Joseph Stalin," she has had her long black hair completely shaved off. Below are shown progressive stages as she sacrifices her crowning glory for possible screen glory.

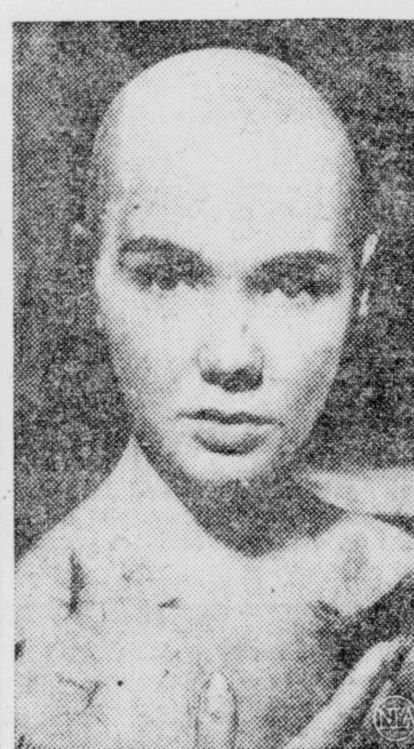

In the barber's mirror, Natalia takes a last look at her locks.

Tears well up in her eyes as the buzzing clipper cuts a swath.

The barber lathers her noggin, preliminary to the close shave.

And here's Natalia, bald as a Brynner, shorn lock in hand.

tactics were strangely similar and equally detonating.

There was a pattern of violence. It was aimed at destroying facilities — including military installations — which brought in the FBI. No local matter.

It spread over Alabama, Florida, Tennessee, Kentucky, Louisi-

ana, Mississippi and the Carolinas. Eggs were thrown, in the kindest of gestures. Also dynamite. Cables were cut. Homes were dynamited. Guns were used.

This hurt the national union, too. The company sued. On Feb. 7, the national union sent a \$315,000 check to the company to settle the suit. Arbitration, which ended the strike, cost both sides several million dollars.

That's adult delinquency. The cries of that baby, not old enough to speak, should be heard everywhere.

Several persons from here attended the wedding of Dale E. Guthrie of here and Miss Marjorie Draher of Minerva, RD Sunday at Mt. Zion Methodist Church.

Linda Conser is confined to her home with illness.

Mr. and Mrs. William Jones of Sebring called Sunday at the Arthur and Daniel Conser home.

Mr. and Mrs. Daniel Conser entertained at a family dinner Sunday honoring her mother's birthday, Mrs. Lillie Diebel.

Miss Evelyn Ernst spent the weekend with her parents, Mr. and Mrs. Robert Ernst. She was also maid of honor at the wedding of Miss Donna Gault and Gail Murphy Friday evening.

Mr. and Mrs. Karl Stoudt and family visited Sunday with Mr. and Mrs. Fred Girscht of Salem.

The New Garden Farmers and Farmerettes 4-H Clubs will canvass Sunday, Feb. 24 for the Heart Fund Drive. Homer Messer, 4-H club leader, asked all boys and

girls to meet at the Methodist Church at 2 p.m.

Karleen and Richard Stoudt attended a Valentine party at the Salem Saxon Hall club, Friday evening.

Mr. and Mrs. Richard Davis and family spent Sunday with her aunt, Mrs. E. M. Nicholson of Cleveland.

DAMASCUS — The 27th Psalm was read for devotions by Mrs. Charles Hipley when the Butler Rural Advisory Council of the Farm Bureau Association was entertained by Mr. and Mrs. Frank Denny Monday evening.

Alfred Warrington, leader, introduced the February topic for discussion, "Are Farmers Paying their fair share of Taxes?"

Owing to inclement weather, the January meeting was canceled, consequently the January topic, "Do We Want Stricter Law Enforcement in our Highways?" was also discussed.

An article, "A Christian at the Wheel" was read by Alfred Warrington. Laurence Pemberton was appointed for the men on the Legislative Committee to represent each meeting, and Mrs. Frank Denny and Mrs. Ethel Cameron for the women.

A guitar solo was presented by Louise Denny and games were in charge of Mrs. Ray Barbo.

The next meeting will be held at the home of Mr. and Mrs. Alfred Warrington, Feb. 18, with devotions to be conducted by Mrs. Vance Bell, and recreation in charge of Mrs. T. C. Warrington. Lunch was served by the hostess.

The possibility of ways of raising money for new uniforms for the band members was the main topic for discussion when the Orchestra and Band Mothers Club of Goshen Union High School met in the High School Building Monday evening.

The uniforms will cost approximately \$4,700.

A roller skating party at Brookwood Feb. 27, and a dinner served to the United Tool and Die Company by the club March 2 were announced.

The Valentine dance was reported a success. The Spring Concert to be given by the Goshen Union Band will be March 4.

Lunch was served to the band members and members of the club by the February committee.

"Spiritual Growth of the Group as Parents" was the main topic for discussion when the Home Builders Class of the Methodist Church met in the social room of the church Monday evening.

Patriotic games were enjoyed, and the special prize was awarded Wade Broomall.

The patriotic theme was carried out in the lunch with a centerpiece of red and white candles on a blue base with miniature flags for favors.

Hosts were the officers, Morlan Hole, Lea Bennett, Mrs. Wade Broomall and Mrs. Phillip Bush.

The next meeting will be held March 18 with Rev. and Mrs. James Cope and Mr. and Mrs. Donald Fogg hosts.

Mrs. A. W. Langley, wife of the pastor of the Broadview Heights Friends Church, was guest speaker when the Friendly Missionary Circle of the Damascus Friends Church was entertained by Miss Jo Anne Phillips with Mrs. Paul Ritchie associate hostess.

Mrs. Langley told of the beginning and growth of Broadview Heights Church. Devotions were conducted by Mrs. Dale Hileman, and roll call was answered by each member repeating a Bible verse or song on "love."

A letter was read from Mrs. Richard Elyson who joined her husband recently in Frankfurt, Germany, and a vibraharp solo was presented by Mrs. Thomas Cope.

Mrs. Langley was presented a paper shower. The project for the next meeting March 18 will be sending needed articles to the Friends Rescue Home in Columbus.

The hostesses will be Mrs. William Atchison and Mrs. Atlee Swartz.

Word has been received that Pvt. William Davis has been transferred from Fort Benning, where he received his basic training, to Camp Rucker, Ala. where he will enter helicopter mechanics school.

Mr. and Mrs. Neil Kegelmeyer and family of Leetonia spent Sunday with her mother Mrs. Norman Yates.

Mr. and Mrs. Walter Edgerton of Harrisville and Mr. and Mrs. Gilbert Edgerton and family of Leetonia were dinner guests of Mr. and Mrs. Wilson Morlan Sunday evening.

YOUTH SHOT IN ABDOMEN

CLEVELAND (AP)—A 16-year-old youth was shot in the abdomen and one of his two companions narrowly escaped being shot Wednesday at the city dump in suburban Brooklyn, police reported. The youths told officers they were fired on by two teen-agers armed with small caliber rifles.

Patrick McLaughlin, son of Mr. and Mrs. John W. McLaughlin of Brooklyn, was reported in critical condition in Deaconess Hospital.

Neither of his companions was hurt, but John Hakey, 16, of Brooklyn, told police that a bullet fanned the shoulder of his jacket. The third boy was James Willis, 15, also of Brooklyn.

# Columbiana Council Approves Gas Franchise

## Confirms Lease For Regulator Gas Station

COLUMBIANA — Village Council passed on third and final reading Tuesday evening the ordinance granting the Ohio Fuel Co. of Columbus a new franchise to supply Columbiana with gas, and confirmed the lease to the company of a site for a regulator station on village-owned ground on the west side of Route 164 a short distance south of Route 14.

The company will start work at once on moving the regulator from a point about a mile north of town on old Route 46 with a view of providing a more ample gas pressure in the northeastern part of town.

The new gas franchise sets up rates for different categories which average up to an increase of about 27 per cent. It had been originally drafted by the company to run three years, but the village obtained a concession which will permit renegotiation at the end of the first year, the new franchise to become effective March 21.

The present monthly minimum of \$1.50 is retained for the first year, but for the second and third years will go to \$2 along with other higher rates.

**NEW RATES FOR** the first year run from \$3.20 for the first 3,000 cubic feet to \$71.40 for 100,000 cubic feet, and for the second and third years \$3.87 to \$76.72. The company will pay the village \$20 a year rental for the regulator station site.

Council approved renewal by the board of affairs of its lease on the site of the water softener plant southeast of town for an indefinite period. The site of perhaps a couple of acres is owned by Joseph B. and Elsie M. Edgerton. Because of its enlarged use of the site by the addition to the plant a couple of years ago, the board will pay a rental of \$500 a year, an increase of \$200.

On recommendation of Civil Defense Director George Seedy, council agreed to send Miss Shirley Tyson, registered nurse, to a four-day health school for defense nurses at Battle Creek, Mich.

Fire Chief Donald Hisey was authorized to trade in the tires on the newest fire truck purchased seven years ago for another type of tires at a cost of \$424.78. The floor in the fire department section of city hall, which it was feared might give way under the weight of the trucks, was pronounced safe by a builder.

Parking being now prohibited on E. Park Ave., it was decided on recommendation of Gay Zellers of the street committee to permit on a trial basis parking of two cars between signs on the north side of the street, east of Y. & S. Railway.

Clerk S. Richard Orr was authorized to pay the village dues, \$10 a year, to the Columbiana County Mayors' association.

**SCORES HIGHEST IN TEST.** — James Richard Bookwalter (above), a senior at Columbiana High School, has received the highest grade in the Columbiana County general scholarship tests with a score of 218 out of a possible 300.

Seniors in the county participated in the state test given throughout the area Jan. 19. Bookwalter is the son of Dr. and Mrs. H. Lee Bookwalter of Columbiana.

**THE COLUMBIANA** Garden Club, at its meeting Tuesday afternoon at the home of Mrs. Irvin Brittain, 145 N. Vine St., decided to buy a small pine for the Hanna family memorial site in Firestone Park.

John Golden of the Golden flower shop, W. Friend St., gave a talk on flowers and demonstrated the process of making a corsage.

The Village Garden Club met Tuesday evening at the home of Mrs. Jack Fullerton, 374 S. Main St., when responses to roll call were "My Favorite Garden Tool and Why." Paul Wilms, nurseryman, talked on "Permanent Planting."

## 13 At Lisbon Are Named To Honor Society

LISBON — Four juniors and nine seniors were elected to membership in the National Honor Society at an assembly held at David Anderson High School Wednesday afternoon.

Elected were Helen Beers, Wendell Cole, Raymond Dixon and Vincent Judge, juniors; Bob Adams, Kay Armstrong, Bob Chamberlain, Judith Fisher, Brenda Griggs, Helen Marx, Evalyn Neville, Margaret Pekarchick and Patricia Sell, seniors.

Dr. Elbert H. Clark, professor of mathematics at Hiram College, was the principal speaker during the assembly. He was introduced by Principal George M. Nace Jr., an alumnus of Hiram.

To hold membership in the National Honor Society is a commendable achievement for a student since only 15 per cent of the senior class and only five per cent of the membership of the junior class may become members.

To qualify, a student must be in the upper third of his class and receive a majority of votes cast by the high school teachers who use leadership, character, service and scholarship as the criteria for making their selections, Principal Nace pointed out.

The local chapter of the society was started in 1945. With the election of these new members, 40 boys and 93 girls have been elected to the group.

## Costello Refused Bail During His Tax Appeal

NEW YORK (AP) — Gambler Frank Costello has been turned down in his bid for freedom on bail while appealing an income tax conviction to the U.S. Supreme Court.

Costello was convicted in 1954 of evading \$28,532 in federal income taxes in 1948 and 1949. He began a five-year prison term May 14, 1956.

## Ike Names Snyder, Short To Top Posts

WASHINGTON (AP) — President Eisenhower Wednesday named his assistant press secretary and former Rep. Dewey Short of Missouri to top positions in the departments of Defense and the Army.

Short, a Republican who was defeated for re-election last year after 28 years in the House, was nominated to be assistant secretary of the Army for civil-military activities.

Murray Snyder, assistant White House press secretary, was named to be assistant secretary of defense for public affairs.

Short will succeed Chester R. Davis, who resigned.

Snyder was chosen to replace Robert Tripp Ross, who resigned after investigating senators questioned him about contracts awarded by the military to firms in which his wife and brother-in-law hold an interest.

## 300 Individually-Priced Cars Now On Market

DETROIT (AP) — Ward's Automotive Reports says in its current issue that there are exactly 300 individually priced 1957 cars on the market today.

This, the trade publication says, compares with 272 different cars at the start of the 1956 model year and 260 at the start of the 1955 model period.

Ward's puts the "average factory list price" of the standard equipped 1957 model at introduction time at \$2,749 exclusive of all taxes. Its figure for 1956 was \$2,553 and for 1955 it was \$2,300.

## Youth Put on Probation For Exploding 'Bomb'

HAMILTON, Ohio (AP) — The 18-year-old son of a Hamilton school board member will be on probation for a year for his connection with exploding a home-made "bomb" in the yard at the home of John O. Fry, Hamilton High School principal, Jan. 8.

The youth — Robert Henes, a freshman at Kenyon College — pleaded innocent to charges of possession and use of a bomb. After hearing the evidence Wednesday, Municipal Judge Frank F. Wessel reduced the charge to possession and use of fireworks. He then placed Henes, son of Mrs. Mildred Henes, on probation for a year and gave him a suspended \$500 fine. Five Hamilton High School youths also have been accused in the case and those cases are pending in juvenile court.

# Hopeful Quakers Set To Open Tournament Play On Friday

## Team Has 13-4 Season Record

Quakers To Oppose Chaney In 1st Game

Can the Salem High Quakers, with a season record this year pretty much resembling records of seasons past, succeed in tournament play beginning Friday?

Some fans are pessimistic but many believe that Coach John Cabas' current Quaker team can eclipse the tourney performances of Salem basketball squads of recent years.

Records show that many Salem High teams of past years sported fine season records only to be dumped from the tourney bracket on their first night out.

The faithful followers point out that this year's scrappy aggregation, with 13 victories, has tasted defeat four times this season and, from a psychological point of view, will enter the tourney Friday night ready for a display of steller basketball and scoring.

Scoring 1,007 points this season in 17 encounters, the Quakers have a 63.9 average per game. They have allowed the opposition 936 markers, for a 55 point average per contest.

John Stephenson and Mark Fenton are the leading scorers with 241 and 237 points respectively. Stephenson is averaging 14 markers a game and Fenton 13.9.

Salem's season record includes victories over Struthers 49-37, Columbiana 42-38, East Palestine 72-64, Akron Garfield 72-71, Warren 67-50, Ravenna 82-47, Girard 77-56, Sebring 67-57, Wellsville 69-51, Boardman 69-52, Sharpsville, Pa., 44-41, and Painesville 63-51.

Losses were to Youngstown Rayen 48-44, Youngstown South 78-71, East Liverpool 70-69, and Ashland 73-67.

Last year the Red and Black was eliminated by Sandy Valley in their first tournament outing 66-54, and in 1955 Girard defeated the Cabasmen 58-46 in first round play.

In 1954, the Quakers won two encounters, whipping both Austin-town Fitch 64-61, and Youngstown Chaney 68-59, only to be dumped in the semi-finals by Struthers 63-58.

Youngstown North beat the Quakers 77-61 in their only contest in 1953. Salem won opening tilts in 1951 and 1952 only to fall out of contention by being beaten in second game appearances those two years. Victories were over Struthers 82-56 and Fitch 61-36, losses were inflicted by Woodrow Wilson 46-42, and Rayen 57-56.

The farthest a Salem team has gone in tournament competition in recent years was ten seasons ago when they won the district championship.

The team that year, under Coach Bob Miller, had just a fair season's record of nine victories and eight losses. But in the tournament they won four straight games before being dumped in the regionals by Akron North 44-23.

Friday night the Quakers will play Youngstown Chaney at 7:45 in the South Field House.

## Lemon Becomes 25th Indian To Sign

TUCSON, Ariz. (AP)—Pitcher Bob Lemon, who reached the 20-victory class last year for the seventh time in nine years, Wednesday became the 25th Cleveland Indian to agree to contract terms for 1957.

The ace righthander agreed in a long distance telephone conversation with Hank Greenberg, general manager. Salary terms were not announced, but Lemon is expected to receive about \$45,000 this season, a slight increase.

Chief among the 12 unsigned players is Early Wynn, another 20-game winner last season, who has objected to a salary under \$40,000.

PROMISING PAPOOSE — Roger Maris, considered one of the most promising rookies at the Cleveland Indians training camp in Fuscon, Ariz., gets a quick getaway from the plate after rapping a line drive as the Tribe opened spring training. Maris, an outfielder, was with Indianapolis last season where the 22-year-old batted .290.

## OSU Leads Big 10 In Field Goal Shooting

CHICAGO (AP)—Indiana is leading the Big Ten basketball race but is behind Ohio State, tied for second, and sixth place Illinois in team field goal shooting percentages.

Official conference statistics, announced Wednesday, show Ohio leading in shooting percentage with .438. Illinois is second with .410 and Indiana third at .396.

However Indiana's Hoosiers have been bolstered by Archie Dees and Dick Neal. Dees, who hit a season high of 37 points against Iowa Monday, now has an average of 24.0 in 10 games and has widened his lead in the individual scoring race. His closest rival is Ohio State's Frank Howard, with 20.6.

Dees' field goal percentage is .429. Seventy of his points have been made at the free throw line, where he has a rating of .854. Neal ranks sixth in scoring with an average of 16.3 but has a percentage of .530.

Illinois' Don Ohl and Harv Schmidt have moved into third and fourth place after removal from the list of George BonSalle. Illinois center now scholastically ineligible. Ohl has 18.3 and Schmidt 18.1 Joe Ruklick of Northwestern is in fifth place with 17.6.

Indiana, just ahead of second place Michigan State and Ohio State, journeys to Madison to play the last place Badgers Saturday night. Other Saturday games included Michigan at Ohio State, Minnesota at Michigan State, Purdue at Illinois and Northwestern at Iowa.

## Writer Picks Top Cagers Of The Decade

By TED MEIER  
NEW YORK (AP)—"Easy Ed" MacAuley, Big Bill Russell, Bob Cousy, Tom Gola, Clyde Lovellette.

That would be our pick as the "bestest of the best" in naming an All-America of All-Americans from the 45 first team players selected for the Associated Press collegiate basketball All-America the last nine years.

Why pick such a team? The Associated Press in a few weeks will announce its 10th annual basketball All-America. To mark the decade milestone the question arose as to what players of those selected in the past were considered the best.

Personally we have no doubts that the standouts were the 6-8 MacAuley of St. Louis; the fabulous 6-10 Russell of San Francisco; the famed 6-1 Cousy of Holy Cross; the 6-6 Gola of La Salle and the 6-9 Lovellette of Kansas.

Their selection is based strictly on their slick performances in college, but it is significant that all five went on to greater heights in the professional National Basketball Assn.

For a second team our choice is 6-9 Bob Pettit of Louisiana State, who has blossomed into an NBA star with the St. Louis Hawks; 5-10 Ralph Beard and 6-7 Alex Groza, both of Kentucky; 6-7 Dick Ricketts of Duquesne and 6-0 Dick Groat of Duke, now shortstop of the Pittsburgh Pirates in the National League.

Three little guys, 5-9 Murray Weir of Iowa; 5-8 Gene Melchiorre of Bradley and 5-9 Johnny O'Brien of Seattle top a third team, rounded out by 6-7 Tommy Heinsohn of Holy Cross and 6-3 Frank Selvy of Furman.

Want more bench? How about 6-1 Kevin O'Shea of Notre Dame; 6-4 Paul Arizin of Villanova; 6-2 Dick Schnitker of Ohio State; 6-2 Si Green of Duquesne and 6-5 Vince Boryla of Denver?

It should be remembered that this is not an all-time team. Stars of an earlier era such as Charley (Chuck) Hyatt of Pitt, Hank Lusetti of Stanford, Bob Kurland of the Oklahoma Aggies and George Mikan of DePaul played before the first Associated Press All-America was named in 1948.

The Cincinnati Redlegs hit 221 home runs in 1956 to tie the major league record set by the 1947 New York Giants.

## Art Aragon Still Waiting On Jury

LOS ANGELES (AP)—Welterweight Art Aragon continued to wait today for the most important decision of his career.

In a locked jury hall on the eighth floor of the Hall of Justice six women and six men are deliberating whether Aragon offered Dick Goldstein \$500 to throw a fight in Texas last December.

Quite probably the jurors also are deciding whether the colorful Golden Boy will ever fight again. The State Athletic Commission has indicated that Aragon's 1957 boxing license depends on an acquittal.

Aragon is charged with corrupt sporting practices, a felony. If convicted, he faces up to five years in prison.

The jurors began deliberating Tuesday morning after a seven-day trial.

The bout, set for Dec. 18 at San Antonio, was called off when Aragon turned up with a fever the night of the fight.

In the past 14 years, Aragon has fought his way out of Los Angeles' rough-and-tumble East Side and into boxing's big time. Although unranked today by either the NBA or Ring Magazine, Aragon was the nation's third-ranking welterweight at the time of his arrest.

## Basilio Says His Hand Is Ready For Saxton

CLEVELAND (AP)—Carmen Basilio claims his once-injured right hand is "okay" and insists he will be "ready for anything" when he defends his world welterweight boxing title against ex-champ Johnny Saxton Friday at the Cleveland arena.

"It makes no difference to me what he does," said Basilio in his hotel room. "I learned plenty about Saxton in our first two fights. I think I can beat him, no matter what he does."

Saxton won a highly disputed decision over Basilio at Chicago last March by using hit-and-run tactics. When Johnny tried to slug it out with Basilio at Syracuse in September, he was stopped in nine rounds.

Basilio says his right hand is healed and he will be "shooting with it." An injury to that right hand forced postponement of the bout from its original Jan. 18 date to Friday.

## Fights I Can't Forget . . . No. 10

# Wolgast Won By Kayo In 2, But Barely Finished First

Ad Wolgast  
By NAT FLEISCHER  
Written for NEA Service

NEW YORK — (NEA) — The fight didn't last two rounds and the champion won by a knockout. On paper, this doesn't seem like much of a fight. But when Lightweight Champion Ad Wolgast and One Round Hogan went at each other, time didn't matter.

They fought on April 16, 1911, at the old Madison A.C. in New York and Wolgast, little known around New York, had to prove himself against Hogan. He almost didn't get the chance.

Ad came out of his corner in a crouch with left shoulder high and left hand dangling carelessly, his usual style. Hogan came out in his own way, too, with a winging left hook. It caught Wolgast on the jaw.

WOLGAST TOOK IT with a sneer, but before he could make a move, two more lefts poked into his face and he rocked. His knees sagged and he rushed into a clinch. But when they separated, Wolgast was back in action, ripping both hands to Hogan's body in piston style.

Hogan stepped back and then shot a right uppercut to Wolgast's chin and the champ reeled toward his corner, in trouble again. Hogan was on him with both hands flashing. Unopposed, he raked Wolgast's head and body with a free-flowing series of punches. It was an amazing spectacle to me, because Wolgast wouldn't go down. He tried to protect himself by gradually edging toward the ropes.

He rocked into the ropes and covered up. But Hogan beat his hands away and rained another flock of punches on Ad's face and body. Then One Round, who looked as if he would make that name stand up, caught Wolgast on the eye with a smacking left hook.

Wolgast, we figured, was a goner. He began to slip through the ropes, then grabbed a stand with one hand. But the bell rang.

SOMEHOW, WOLGAST CAME out for the second. Hogan, intent on finishing him, stepped in with a straight left that brought blood from Wolgast's nose—but it also brought a left hook that caught Hogan on the chin. One-Round fell into the ropes and Wolgast was atop him, showering punches. Hogan ducked his head. Wolgast

brought up a right uppercut which snapped his head back. His hands dropped to his sides, his head bent forward. It seemed to be the finishing punch.

But Hogan was no one to go down easily. Completely defenseless, he still stayed on his feet as Wolgast hit him at will and as quickly as he could pump his arms. Hogan's arms still dangled at his sides as Wolgast raked his body with hooks, then switched with both hands to the head, then went to the body again.

This went on for a full minute

and then Wolgast, tired by his own efforts, stepped back and looked at Charley White, the referee. But the official motioned him to resume fighting.

Ad was tired now, but he leveled on Hogan with one last right to the chin. It turned Hogan around and sent him reeling into the ropes. Now White stepped in. This was enough, he figured.

He lifted Hogan's arms off the ropes and One-Round fell limp on his chest. Wolgast came up to help White as one of the top 10 fights of my memory ended.

## Quaker City, Bloombergs, GOP, Tool Win City Games

The Republicans smashed Konnerth's Jewelry 37-29, Quaker City Turkey Farm crushed Lisbon 31-4, in the Girls League, and Salem Tool whipped DeMolay 56-44, and Bloombergs thumped Deming 63-42 in City League games played at the Memorial Building last night.

Konnerth's led 9-5 at the end of the first quarter and also at the intermission 14-11. But in the third stanza the Republicans tallied 14 markers to seven for the Jewelry five and the score read 26-21 in favor of the Republicans.

Nancy Shepard, Janet Reeder, and Betty McKenna tallied 12, 9, and 9 points respectively for the winners, and Boso took scoring honors as she tallied 15 points for the losers.

After a very slow start the Quaker City Turkeys started finding the range and easily waltzed past Lisbon. Quarter scores were Quaker City leading all the way, 2-1, 10-1, and 16-2.

Baird led the winners with 14 markers and Brinker was top scorer for the Lisbon five with 2 points. Salem Tool had little trouble winning their contest as they led 10-9 in the first quarter and by half time had built up a commanding margin 30-16. At the end of three periods the Tool five led 40-28.

Bill Baker and Jim Jeffries led the victors with 15 points apiece and Lani Waiwaile led the losers with 12 markers.

In the final fray of the evening

# New Waterford Rips Beaver Local 110 53 In Tourney

## Trojans Move To 'A' Finals

Brown Scores 24 Points For Victors

New Waterford's Trojans had no trouble whatsoever Wednesday night in advancing to the finals of the Columbiana County Class A Tournament as they romped at will over the freshman and sophomore-studded Beaver Local five, 110-53 in a contest played on the United High floor.

Coach Ken Woods' Orange and Black quintet had too much height and basketball prowess for the "green" cagers from Beaver Local. Time after time their pressing type tactics maneuvered them into easy scoring positions. Simultaneously, the victors hawk-like defense prevented the losers from taking enough shots to make the game anywhere close.

Although Waterford won the fray without effort they may expect lots more trouble from the Fairfield - Salineville winner Saturday night in the tourney's final.

Beaver took an early 2-0 lead on a pair of charity throws by Ross Porter, with but nine seconds gone in the initial quarter. The Orange and Black, however, got rolling at this point as their big center, DuWayne Brown, dropped in three "bunnies" to take an 8-4 margin which they never relinquished. Beaver's inexperienced quintet had their hands full in even trying to bring the ball past mid court. Once they did, they fared no better in attempting to get a shot off in front of their opponent's goal.

Waterford found themselves in front at the end of the first eight minutes, 18-8. What happened in the second period, Red and White fans would like to forget. With Brown clearing the backboards and with Beaver playing no one back at mid court in defense, it was simple for Waterford to get a rebound and wing it the length of the floor for an easy bucket. Al Rupert and Ron Seachrist teamed with Brown to pace their mates to a staggering 40 points in the period. Rupert scored 17 of his 19 points in this quarter. At the same time, Beaver, unable to solve their adversaries pressing defense, could master only 8 scores in the frame. The score at half time wasn't even close with Waterford way in front, 58-16. During the first two periods alone, Waterford scored nine more field goals than Beaver took shots.

The losers began playing a better brand of ball in the third stanza even though the winners kept up their full court defensive game. Beaver took more shots and managed to chalk up 20 points during the period. However, their improved offense still wasn't enough to dampen Waterford's constantly rolling offense. Waterford scored 27 points themselves to move way out in the lead, 85-36.

Some of the 280 paid fans at the game must have thought Coach Woods was going for 100 points or bust as he didn't put his first substitute in until 4:57 was remaining in the third quarter. Shortly afterwards, more Waterford subs entered the game.

In the last period, the game settled down to a see saw type scoring match. Joe Costanzo did push Waterford over the 100 mark when he hit a jump shot from the foul line with 3:59 left. Waterford's Bob Cope left the game with less than a minute to go when he hurt his right knee while going in for a layup.

Brown took game scoring honors

hitting for 9 fielders and 6 of 7 fouls for 24 points. Rupert followed with 19 as five Orange and Black men hit double figures. Frank Main paced the loser's offensive with 17 counters, nine of them on charity flings.

Although Coach Bob Scole's team did manage 53 points during the 32 minutes they might have scored more if they would have shot often. They only tried 34 shots during the whole game while Waterford fired at the basket 93 times.

In the statistics department, Waterford hit 40 of their 93 shots while Beaver mustered 11 buckets in 34 attempts. Although only one player, Beaver's Tom Bawner, fouled out of the contest, there was a considerable amount of free throwing done by both teams. Beaver sunk 31 of 49 tries while Waterford pocketed 30 of 41 free throws.

Fairfield, a 62-33 victor over United, meets Salineville Thursday night in the next tourney clash with the winner advancing into the finals against Waterford Saturday.

Officials at Wednesday's encounter were Wayne Ross of Wellsville and Homer Albough of Minerva.

The 60-yard dash record of :06.2 at the New York Athletic Club indoor games set by James F. Quinn of Holy Cross in 1928 has been tied 19 times.

The Detroit Tigers enjoyed the night atmosphere in Kansas City in 1956. They won all six night games played there against the Athletics.

Chicago White Sox Manager Al Lopez disagreed with the majority: "It looks to me like Kansas City got the best of the deal," he said.

But Lopez's boss, Chuck Comiskey, sees a threat to attendance all over the league if the deal allows the Yankees to make a run-away of the pennant race. A half-

million drop at the turnstiles could result, he said.

"Pitching was the one questionable department of the Yankees," said Comiskey. "Now they have added a solid starter in Dittmar and further possible aid in the bullpen from Shantz."

Mike Higgins of the Boston Red Sox saw it this way: "I'm sure both clubs feel they've helped themselves, but you have to wait and see."

Boston's General Manager Joe Cronin said sadly: "We wanted both Dittmar and Shantz. We've been trying to get together with the Athletics on a deal. I guess they like the Yankee players better. Dittmar and Shantz both should help the Yankees."

Chuck Dressen of the Washington Senators and Kerby Farrell, Cleveland skipper, haven't been heard from.

Chet Forte Drops To 3rd In Scoring Race  
By The Associated Press  
Wilt Chamberlain of Kansas needs 56 points against the defensive minded Oklahoma Aggies tonight if he wants to reclaim first place in the national collegiate individual basketball scoring race.

The Stilt goes into tonight's game in fifth place with a 29-point average on 522 points in 18 games. South Carolina's Grady Wallace is settling the pace with a 30.41 average on 699 points in 22 outings.

Columbia's Chet Forte, the only one of the leaders in action Wednesday night, dropped to third place when Yale checked him with 24 points. Joe Gibbon of Mississippi took over the runnerup spot. Seattle's Elgin Baylor is fourth.

## Pastrano Beats Johnny Holman

Scores Unanimous Decision Over Foe

LOUISVILLE, Ky. — Willie Pastrano, cagey, fourth - ranked heavyweight from Miami and New Orleans, tied up Chicago's big Johnny Holman with lightning hooks and jabs Wednesday night to win a unanimous decision in a 10-round nationally televised bout.

The 6-3, 200-pound, hardhitting Holman, who has kayoed opponents for 13 of his 30 victories, just couldn't land a big one. Pastrano, 6 feet and 187½ pounds, was in and out with telling jabs that raised a welt over Holman's left eye. The eye was closed from the eighth round on.

Referee Dan Leslie and judges Frank De Camillis and Tom Nuckles marked Pastrano down for his 21st straight win with room to spare. Leslie scored 7 rounds for Pastrano, 3 for Holman; De Camillis had it 7-2-1, and Nuckles 6-3-1. The Associated Press card read eight rounds for Pastrano with two even.

Pastrano said after the fight he "never was hurt." But he said Holman, eighth ranked and fighting to stay in title contention, is "big and strong and a hard fellow to fight." Holman said in advance of the bout, "win or lose, I plan to keep fighting."

The 21-year-old Pastrano, younger than Holman by eight years, kept his opponent off balance with rapid-fire lefts and rights while making sure he wasn't there when Holman let go with anything like a roundhouse. Holman always looked dangerous but couldn't catch up.

## Canisius Trips Syracuse By 67-65 Count

By PETE PEDERSEN  
The Associated Press

The Frank Merriwell finish is very much the thing today in college basketball.

Take Wednesday night, for instance. With the score tied at 65-65, Greg Britz tossed in a 35-foot set shot to give Canisius a 67-65 victory over Syracuse.

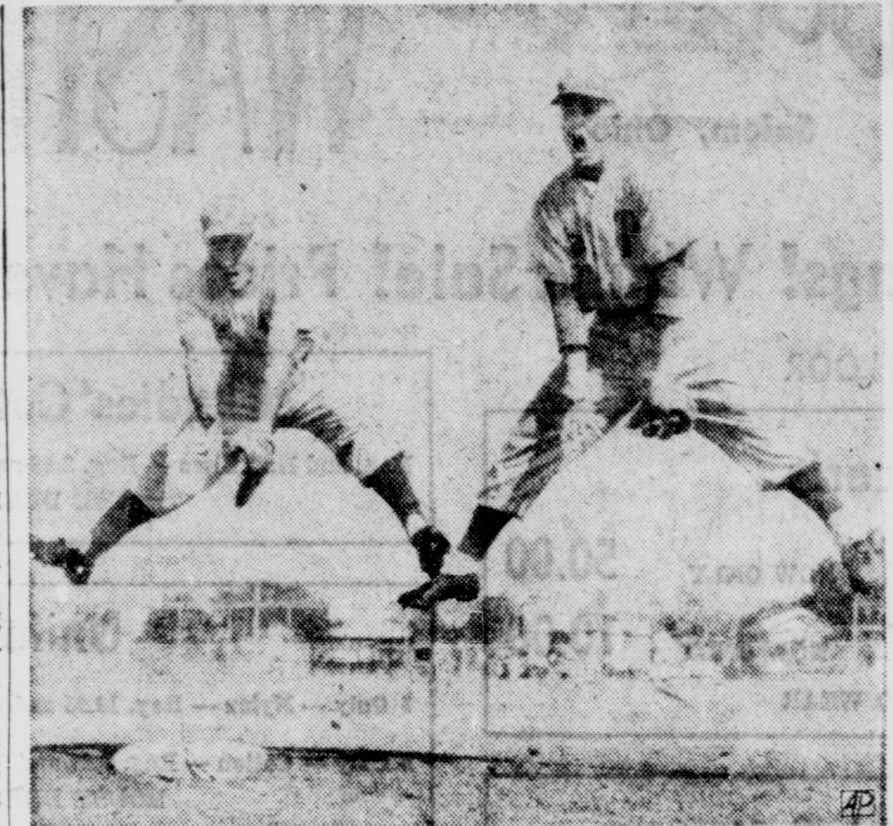

Both teams are on the prospect list for the National Invitation Tournament March 16 at Madison Square Garden. Those points by Britz might mean the difference.

Six teams have been chosen. Six berths are still vacant. In the fold are Manhattan, Seattle, Dayton, Cincinnati, Memphis State and St. Bonaventure. Prospective are Duquesne, Temple, Seton Hall, St. Peter's (N.J.), St. John's (Brooklyn), St. Joseph's (Pa.) and Lafayette, in addition to Canisius and Syracuse.

Among the chosen, St. Bonaventure fared well Wednesday night, beating LeMoyne (N.Y.) 69-61, but Dayton fell before Xavier of Ohio 68-65. Among the hopeful, St. Joseph's won a "must" game from Penn 79-71, and Lafayette whipped Lehigh 73-60.

Conference action was on the minor side, but Yale strengthened its grip on first place in the Ivy League by downing Columbia 72-57.

The Elis held Columbia's Chet Forte to 24 points. That dropped Forte to third place in the scoring derby behind Grady Wallace of South Carolina and Joe Gibbon of Mississippi, who have averages

of 30.41 and 29.33. Forte fell to 29.26.

In the Southwest Conference, Texas Christian rallied from a 20-point deficit for an 82-77 overtime triumph over Baylor to take over third place with a 5-5 record.

Virginia Military was eliminated from a Southern Conference tournament spot when Richmond toppled the Keydets 76-68.

Wake Forest, 12th-ranked in the Associated Press weekly poll, put on its best offensive display of the season in whaling Eastern Kentucky 101-76. And Louisville, No. 7, romped over Murray (Ky.) State 97-82.

## Psychiatrist Says 4 Of 10 GIs Yielded to Red Brainwashing

NEW YORK (AP) — An Army neuro-psychiatrist says that four out of 10 Americans in Korean prisoner-of-war camps yielded to brainwashing techniques.

Maj. William E. Meyer told a convention of the American Paper and Pulp Assn. that the POWs "died psychologically" under the effects of "shrewd and subtle influences that seldom involved torture."

Meyer, a psychiatrist with the 1st Marine Division in Korea, said weak-willed prisoners succumbed to the brainwashing within 48 hours after it began.

He said the brainwashing was designed for the physical control of prisoners and to make them distrust each other—but did not seek to make Communists of the captives. He added that fewer than one per cent of the Americans were subjected to torture.

Bob Lemon, Cleveland pitching ace, hit 21 home runs in 1943 for Baltimore when the Orioles were in the International League. Lemon played 148 games that year as a third baseman and shortstop.

## \$36,000 Houston Open Begins Today

HOUSTON (AP) — A 72 hole score of 277 and three veteran — Cary Middlecoff, Peter Thomson, and Jay Hebert — were the favorites today as the \$36,000 Houston Open began on the long, tree-lined Memorial Park course.

Six of nine previous Houston tournaments have been won with scores of 11-under-par 277. Middlecoff is the only two-time champion. Hebert, a former Houston resident, has won two of the winter titles this year, while Thomson, the British Open Champion, has impressed his galleries in practice rounds.

Sunday's top prize will be \$7,500, largest on the winter tour. Today's field of 160 included all the 1957 champions and all the former Houston winners except South Africa's Bobby Locke, who won a \$2,000 first prize in 1947.

## DAMASCUS

DAMASCUS — Open house for Jarfield Grange was planned to be held Feb. 27 when the group met Wednesday evening.

A coverdish supper will be served at 6:30 p.m., although program plans are incomplete.

A report of the Mahoning County meeting at Greenford was given by Richard Gologram, master, and a demit was granted Ray Doyle.

The program consisted of songs, "America" and "America the Beautiful" being sung. Talks were given on "Boy Scouts" by Richard Gologram; on "Lincoln" by Robert McCracken; and on "Valentine Day" by Allen Stanley.

A luncheon was served when the Merry Mixers Club was entertained by Mrs. Lorin Cameron Wednesday evening.

Appointments were in a Valentine theme with Valentine favors with 12 members in attendance, and Mrs. John Blasiman Jr. and Nancy Ellyson were guests.

The devotions and program were in charge of Mrs. Robert Cline, with roll call being answered by each person displaying an original Valentine.

Each person drew a Valentine with a small gift attached. Prizes were awarded in the games to Mrs. Allen Stanley for "high" and Mrs. C. Brantingham for "low."

Mrs. Blasiman assisted the host-

ess in serving.

The next event for the group will be when they entertain their husbands at a party March 16 with Mrs. Arlan Hoopes and Mrs. Alfred Gamble in charge of arrangements.

Sewing quilt blocks occupied the time when the Rebecca Coleman Missionary Circle of the Friends Church was entertained by Mrs. Donald Oswalt Tuesday evening with Mrs. William Carner associate hostess.

Roll call was answered by naming an extension point or a mission station of the church. Mrs. Charles Winn read a letter from Mrs. Rebecca Coleman, missionary in India, thanking the group for Christmas gifts sent to her and her daughter Carolyn. A short review of the work of Dr. and Mrs. W. E. DeVoll, missionaries in India, was read by Mrs. Virgil Cobbs.

A committee was appointed to plan for a special missionary meeting. The committee is composed of Mrs. Owen Glassburn, chairman, Mrs. Lee Todd and Mrs. William Acheson. Announcement was made that a Women's Missionary retreat will be held at the Damascus Friends Church for Damascus Quarterly Meeting March 20.

Mrs. Melvin Hoffman, leader, opened the program by leading in "Take Time to be Holy" and reading the scripture. A recording

of "Mrs. Homemakers Prayer" by Miss Ella Ruth Hutson and a song by Mrs. Hoffman closed the meeting. Mrs. Wendall Santee will entertain the group March 12. The Brownie Promise was given when Brown Scout Troop 4 held a business meeting in the Methodist Church Wednesday after school.

The attendance was recorded and the dues received, and a play, which was written by Brownies Carol Spack, Peggy Bircher, Ada May Hanna and Elizabeth Penrose was presented by them.

Lunch with Valentine appoint-

ments and Valentine favors made by the girls was served by the leaders. Mrs. Robert Risbeck and Mrs. Glen Moffett assisted by Mrs. Frank Diehl, Mrs. Eugene Spack, Mrs. William Malloy, troop committee members. The meeting closed with the Friendship Circle.

Mrs. Wesley Thompson was received as a new member when the Minus One Club was entertained by Mrs. Richard Apple.

Prizes in "500" were awarded Mrs. Harold Culler for first and Mrs. Merle Courtney for second.

A stork gift was presented Mrs.

William Bauman Jr.

Lunch was served by the hostess assisted by Mrs. Warren Apple, a guest. Mrs. Richard Wiggers will entertain the group March 1.

Mrs. William Bauman Jr. was honored at a stork shower at the home of Mrs. Walter Bauman with Mrs. Alvin Bauman associate hostess.

Mrs. Richard Apple received a prize in the games and gifts were presented in a decorated bassinet.

Lunch with pink and blue appointments was served by the hostesses

with 19 in attendance.

Brownie Scout Troop 3 met at the home of one of the leaders, Mrs. Orville Blythe Tuesday afternoon with a flag ceremony, investing the new Brownies. A Valentine party was then enjoyed with the leaders, Mrs. Blythe and Mrs. Charles Duriga furnishing the refreshments.

It was decided to hold a party the last meeting day of each month, with the girls, who have birthdays during the month, to serve the lunch. The mothers of the girls will be invited to attend

the party this month Tuesday afternoon, Feb. 26.

Girl Scout Troop 2 and Brownie Scout 4 joined in the Methodist Church Wednesday after school to hear Alexandria Petrachoff tell of her school life in Germany. They then separated for individual parties. The Girl Scouts Troop 2 held a very short business meeting. Games were enjoyed and refreshments with Valentine appointments were served in the Valentine party with Mrs. Orville Blythe and Mrs. Charles Duriga leaders in charge. Mrs. Ernest Ryser and daughter

Elizabeth Ruth spent Saturday in Cleveland. Elizabeth took her entrance examinations for training in Fairview Park Hospital and Mrs. Ryser visited her daughter, Mrs. Robert Melziva.

Lyman Bundy of Laureville spent the weekend with his sister Mrs. Josephine Warrington and daughter.

Mr. and Mrs. Harry Reynolds of Garfield Heights spent Saturday with Mrs. Josephine Warrington, and daughter.

## Try Skillet Lamb Stew

So many brides lament that they cannot produce a savory stew — the sort their husbands relish — that we hope this easy recipe will help them. We've streamlined this stew — and dumpling formula; it should be failproof.

We use large shoulder lamb chops in this stew because it is easy to cut away excess fat from them and have substantial lean

servings of meat of which a man will approve. Canned tomatoes, rather than water, are the liquid added for savory flavor.

We use an old-fashioned black iron frying pan for browning the lamb, then we transfer the meat to a deep copper-clad stainless steel skillet with a dome-shaped cover — for simmering and cooking the dumplings. But other sorts of frying pans, skillets or ket-

ties can, of course, be used advantageously.

The dumpling recipe that accompanies this stew produces dumplings that have a dry and airy texture.

This stew looks as good as it tastes: the meat brown, the gravy tomato-colored and the dumplings snow white. Serve bright green peas on the same plate as the stew and you'll have an extremely attractive-looking combination.

**Skillet Lamb Stew with Dumplings**  
 Ingredients: 4 large (1½ pounds) round-bone lamb shoulder chops (at least ½ inch thick), 1 can (1 pound) peeled tomatoes, ½ teaspoon salt, ½ teaspoon pepper, ½ teaspoon tomato seasoning powder, 4 medium — small yellow onions (peeled and cut into halves), Mar-koram Dumplings.

**Method:** Cut each chop into 5 or 6 pieces, removing most of the fat. Do not cut away any of the bones; they add flavor to the stew. Grease a very hot heavy skillet (about 10 inches) with a bit of lamb fat; add the meat and brown on both sides over high heat. Pour

off any fat in skillet. Add tomatoes, salt, pepper, tomato seasoning powder; place onion halves underneath pieces of meat. Cover tightly and simmer about 1 hour. Skim excess fat from surface of stew with a large spoon. Add more salt to stew if necessary. Bring to a gentle boil; pile several pieces of meat on top of each other if necessary so dumpling batter can rest on them. Drop dumpling batter by spoonfuls on top of meat in 8 portions. Cook uncovered, keeping stew boiling gently, for 10 minutes; cover tightly and cook 10 minutes longer. Serve at once. Makes 4 servings.

**Note:** The tomato seasoning powder called for in this recipe comes in a 3-ounce jar and includes savory, onion, garlic, celery, salt, pepper.

**Ingredients:** 1 cup self-rising flour (do not sift before measuring), ¼ teaspoon dried crumbled marjoram, ½ cup milk.

**Method:** Stir flour and marjoram together in a mixing bowl. Stir again with a fork while gradually adding milk; stir only until dry ingredients are moistened; do not beat smooth. Mixture will be on the thin side. Cook as directed at end of recipe for Skillet Lamb Stew with Dumplings.

### FILES \$25,000 SUIT

**LISBON** — A suit for \$25,000 permanent injuries suffered when she allegedly ate spoiled lunch meat was filed in common pleas court Wednesday by Iva Jane Miller, a minor, by Evelyn Miller, her mother.

Sugardale Provision Co. of Canton was named defendant.

Iva Jane Miller claims in the petition that her father purchased some lunch meat at the Wilson Golden Dawn Market in East Liverpool and she claims she became violently ill after eating it.

## Try Chocolate Banana Cream Pie

As deluxe as this special pie tastes and looks, it is quite easy to prepare. And it is very different.

From a package of pastry mix, bake a 9-inch pie shell according to the directions on the package. Set aside to cool.

In the meantime, prepare a package of chocolate pudding according to package directions.

Add ¼ teaspoon ground cinnamon, 1-16 teaspoon ground cloves, 1 tablespoon sugar and ½ teaspoon pure vanilla extract. Set aside to cool, stirring occasionally to prevent a skin from forming on top.

Whip 1 cup heavy cream until

stiff. Fold half of it into the pudding.

Arrange 1 to 2 sliced bananas over bottom of pie shell; pour the cooled chocolate pudding over them. Chill.

Add 1 tablespoon sugar to the

remaining whipped cream and spread as desired over top of pie just before serving. Garnish with additional sliced bananas, if desired.

## Fruit Dumplings Delicious

Fruit dumplings have always been a part of our culinary scene. In some early American cook books the fruit dumpling recipes are of two sorts — boiled and baked. Only the baked dumpling seems to have survived — a fortunate circumstance, we suspect, because the boiled variety was probably often on the leaden side.

There's nothing leaden about these baked fresh pear dumplings although they're of mammoth size. Served hot, the fruit gives off a most delicate fragrance that contrasts well with the rich pastry

and spicy sauce. Make the dumplings ahead, if you like; they re-heat well. But be sure you do re-heat them — eating them hot is a "must."

We used ripe but very firm Anjou pears in this dessert with great success. The pears kept their shape well but also baked pleasantly tender. The Anjou pear has bright green skin that stays green even when the pear is ripe.

**Fresh Pear Dumplings**  
Ingredients: Rich pastry, 6 medium-sized Anjou pears, 6 tablespoons light brown sugar, grated

rind of 1 lemon, spicy sauce.

Method: Roll pastry into rectangle about 8 by 24 inches. Cut into 6 triangles with knife or pastry wheel. Remove pear stems and stem structures half way down; remove seeds; leave blossom-end half of pears intact. Fill cavities with brown sugar and grated lemon rind. Place each pear in or near center of pastry triangle and fold points over so each overlaps about 1 inch. Seal overlaps well. Place in baking pan (9 by 13 by 2 1/4 inches). Bake in hot (425 degrees) oven 20 minutes; pour hot spicy sauce into pan but not over dumplings. Bake 20 to 25 minutes longer, basting dumplings once with sauce halfway through this period. Remove carefully from pan with wide spatula. Serve hot. Makes 6 huge servings.

Note: If sauce thickens too much at end of baking period, a little boiling water may be added to it.

**Spicy Sauce**  
Ingredients: 1 1/4 cups sugar, 1 cup water, 1 tablespoon lemon juice, 1 teaspoon cinnamon, 1/2 teaspoon nutmeg, 1 tablespoon butter or margarine.

Method: Put sugar, water, lemon juice, cinnamon, and nutmeg in a small saucepan. Stir over low heat until sugar dissolves. Bring to a boil; boil 3 minutes. Remove from heat and stir in butter.

**Rich Pastry**  
Ingredients: 2 1/4 cups sifted flour, 1 teaspoon salt, 1 cup golden shortening, 6 tablespoons water.

Method: Stir flour and salt together in a mixing bowl. Cut in shortening with pastry blender until it is in pieces about the size of peas. Sprinkle water over mixture, 1 tablespoon at a time, mixing lightly with fork until all flour is moistened. Gather dough into a ball and roll out on prepared pastry cloth with stockinet covered rolling pin.

## Oatmeal Cookies

Because of George Washington's birthday, top your oatmeal cookies with a bright red candied cherry. Because oatmeal cookies are a big favorite, keep a supply in your cookie jar.

From Mrs. L. D. Mutchler of Berkeley, Mo., we get this recipe for oatmeal drop cookies with a sparkling glaze of granulated sugar and cinnamon.

**George Washington Oatmeal Cookies**

Cookies: One and one-half cups sifted, enriched flour; 1/2 teaspoon soda; 1/2 teaspoon salt; 1/2 teaspoon cinnamon; 1/4 teaspoon nutmeg; 2 cups rolled oats (quick or old-fashioned, uncooked); 1 cup brown sugar; 3/4 cup shortening, soft; 1 egg; 1 cup strained applesauce.

Topping: Three tablespoons sugar, 1 teaspoon cinnamon, 30 candied cherry halves.

Sift together flour, soda, salt and spices into bowl. Add oats, brown sugar, shortening, egg and applesauce; beat until smooth, about 2 minutes.

Drop by tablespoons onto greased cookie sheets. Flatten with bottom of glass dipped in cinnamon-sugar mixture. Sprinkle with additional cinnamon-sugar mixture. Top each with candied cherry half. Bake in moderate oven (350 degrees F.) 12 to 15 minutes.

## Washington Birthday Dessert

Back to the cherry tree and the I-cannot-tell-a-lie legend that's always repeated on Washington's birthday. True or false? Makes no difference — dark red cherries are wonderful eating and now's the time to enjoy them.

For Washington's birthday dessert try this zesty fruit compote in which frozen pineapple and peaches play the supporting roles.

**George Washington Cherry Compote**  
One No. 303 can dark, sweet cherries, drained; one 13 1/2-ounce can frozen pineapple chunks, one 10-ounce can frozen peach slices, 1/4 cup Muscatel wine (optional). Place frozen fruits in bowl to thaw. Drain and pit cherries, reserving cherry syrup. When nearly thawed, drain combined frozen fruits and reserve juice.

Place in serving bowl with cherries. Add wine, if desired, and 1-3 cup juice from pineapple and peaches.

Allow to stand before serving. Serve with chiffon cake.

If wine is used, reserve cherry syrup and combined juices for a punch.

**Fragrant Cherry Punch**  
To cherry syrup and peach-pineapple juice (about 1 1/2 cups) add one 7-ounce bottle of carbonated lemon-lime beverage for a delicious punch.

## Small Fry Party Menu

When small fry want to ask their friends, plus dolls and teddy bears, to a party a special menu is in order.

So how about sandwich cutups, instant cocoa served in doll-size tea cups garnished with miniature marshmallows and lollipop cookies? Ice cream may be added, of course.

The lollipop cookies will be a wild success. We know because when we made them we had a hard time keeping the grown ups from gobbling them up. The cookies are deliciously crisp with morsels of semi sweet chocolate embedded in them. We used flat wooden spoons for the cookie lollipops and found the spoons available at both grocery markets and variety store.

If you want to use tongue depressors (from the drug store) they should work equally well.

Let the small fry in your family have the fun of dyeing the lollipop cookie sticks, using food coloring. Use a small juice glass to hold the colored water, then let the sticks stand in them for awhile. Youngsters will also have a good time helping make the sandwich cutups. And remember that both these ideas are fine for rainy-day fun.

**Sandwich Cutups**  
Trim crusts from 6 slices of white bread and 6 slices of brown bread. Spread softened butter on 3 slices of the white and 3 slices of the brown bread. Cut out the centers of the remaining bread slices (with small animal cookie cutters or any holiday shape); reserve. Place slice of cut-out white bread on top of slice of buttered brown bread. Insert brown animal cutout in center of white bread slice and continue, alternating the brown and white bread, until completed. Serve at once or wrap in foil and refrigerate until ready to use. Makes sandwiches. Peanut butter may be used instead of butter.

**Lollipop Cookies**  
Ingredients: 1/2 cup sifted flour, 1/2 teaspoon baking soda, 1/2 teaspoon salt, 1/2 cup butter or margarine, 1/4 cup plus 2 tablespoons granulated sugar, 1/4 cup plus 2 tablespoons dark brown sugar (firmly packed), 1/2 teaspoon vanilla, 1 egg, 1 package (6 ounces or 1 cup) semi-sweet chocolate pieces, 1/2 cup chopped (medium-fine) walnuts or pecans, 1 cup quick-cooking rolled oats, 1 1/2 to 2 dozen prepared 5-inch long flat wooden spoons.

Method: Sift together the flour, baking soda and salt. Cream butter and sugars and vanilla. Beat in egg thoroughly. Mix in the sifted dry ingredients thoroughly. Stir in semi-sweet chocolate, nutmeats, and rolled oats. Place prepared wooden spoons 4 inches apart on buttered cookie sheet. Drop cookie mixture by tablespoons onto bowls of spoons; or mold cookie mixture into balls and place on bowls of spoons, then flatten slightly. Bake

in moderate (375 degrees) oven 10 to 15 minutes. Remove gently with wide spatula while warm. Cool on rack. Makes 1 1/2 to 2 dozen.

To Prepare Wooden Spoons: Tint water with red, yellow, green or blue food coloring and place handles of 5-inch wooden spoons in the water. Allow to stand until colored. Drain and dry.

Note: These cookies stay crisp if stored in a tightly covered container and so may be baked ahead.

**In The Service**

# Berlin Center Couple Has Anniversary

BERLIN CENTER — A turkey dinner was served at the home of Mr. and Mrs. Paul Bonsall in honor of Mr. Bonsall's father and mother's 50th wedding anniversary on Sunday.

Among the dinner guests were another son and daughter-in-law, Mr. and Mrs. Lester Bonsall; Mr. and Mrs. Date Wilson, Mr. and Mrs. Jess Bonsall, Mr. and Mrs. Leland Bardo.

A large cake provided the centerpiece for the afternoon table with the color scheme of gold being carried out.

Out of town guests were from Fairfield, Mineral Ridge, Warren, Alliance, Sebring, Salem and Canfield.

The couple have ten grandchildren who were all present except Donald Bonsall who is with the Navy in Tennessee. They also have 15 great-grandchildren.

Many gifts were received by the honored couple.

The Berlin Center Community and School Organization will meet at the school on Wednesday evening, Feb. 27.

Dr. Jack Schreiber will show a film and speak on heart diseases during the program.

# Salineville

### Wesleyan Class Plans Party Monday

BUNKER HILL — The Wesleyan Class of the Bunker Hill Church will hold its monthly class party on Monday evening at the home of Kathleen Frantz.

Jerry Smith is ill with measles. The Goshen Center Community Club will sponsor an oyster and chili supper on Wednesday evening, Feb. 27 at the Goshen Grange hall. Serving will be from 5 to 8 p.m.

The B-M Club members and husbands will meet at the home of Mrs. Foster McBride on Saturday at 8 p.m. for their regular meeting.

There will be no school on Friday, commemorating the birthday of George Washington.

The M.Y.F. of Bunker Hill Methodist Church attended the Columbiana County Sub-District rally at Salineville Sunday.

Those who attended were Maurice Dickson, David Martig, Joan Weingart, Susan Blythe, Donna Wiles, Patti Lungociu, Mrs. Robert Dickson, Mrs. George Lungociu and Rev. and Mrs. Ralph Fotia.

Marie Heston is ill with the flu. The Boy Scouts will hold their regular meeting on Monday evening.

BERRY GROWERS TO MEET

Dr. D. H. Scott of the Federal Research Station, Beltsville, Md., will be the main speaker at the Columbiana - Mahoning Berry Institute to be held at Heck's Restaurant, Columbiana next Wednesday from 10 a.m. to 3:30 p.m., according to Floyd Lower, County agricultural agent.

Scott is in charge of the strawberry research work, and is known nationally as the originator of virus-free strawberry plants. He is also originator of a number of new strawberry varieties and is working on other strawberry problems as well.

Peter Rudell, Berrien Springs, Mich., grower, will also appear on the program. He will tell of his practices in growing and marketing strawberries and raspberries.

Other speakers will include Vernon Patterson, extension horticulturist, Ohio State University, and local growers.

FAMILIAR?—A decade hasn't caused much change in the German army uniform. Here is the dress jacket for officers and enlisted men of the Bundeswehr, the West German federal army. Except for open collar and necktie, it is almost identical with the former Wehrmacht outfit. The leather boots Germans are so fond of aren't so loud this time, though. Rubber soles have replaced the clattering hobnails of the former issue.

## Home Dressed Meats Always

Do you realize that we can sell top quality meat at a more reasonable price than any of our competitors, because that extra expense of trucking, salesman and profit for the packer is not added to our cost. Also we do not sell one or two items at a low price and add it to the other cuts. Check our prices right down the list and see if any market with quality meat can touch our prices!
